Sir,

At the suggestion of the
Accountant General Fort St.
George, I have the honor to submit
herewith files of Correspondence
in original to be returned, for
your perusal and orders.

The subject matter of the
Correspondence is about certain
discrepancies in the rates of Printing
charges made for work executed
by the South Indian Observer Press on
account of this office. The rates
not having been approved of by
the Superintendent Gazette Press,
Fort St. George, on account of their
being excessive, the Accountant
General would not pass the item,
which remains unadjusted in his
accounts.

2. A prolonged correspondence on the subject, has taken place without a settlement having been arrived at, Hence I now have the honor to refer the matter to you for disposal.

Mis G.O. No. 3300.

The accountant-General is authorized to accept the charge in question without the further detailed bill called for. In future should any work have to be executed for sufficient reasons elsewhere than at the Govt. Press it should be done by Printing Firms in Madras where the charges are less exorbitant than at Ootacamund. R 6/11/83.

The acct. Genl. - W.S. 9-8-83.
- Supdt. Chincha Plantations, with file of correspondence etc. 13-8-83.

note (68+7) (40/12+7)

It is Rs: 75 against Rs: 40/12 passed by M. Regs. It is hopeless to expect private presses to accept certain rates because Govt. do and the remedy is to get the printing done at private presses at Madras where the rates are not so high as at Ootacamund. The bills date from 1881 and better be passed with the remark that work which cannot be done at the Govt. press should be done at a private press in Madras. R
