My dear Russ

The enclosed letter
belongs to the Secretariat; I
peruse. It turned up in
my office & I cannot now
remember whether it was
properly disposed of or not.
However, Cuchena is now
out of my business so perhaps
the omission to notice it
& return it before may be
excused.

If the Secretary would care
to see the Draft Rules, which
the Board sent me & which
I sent back with my
marginal notes, I can re-
turn it.

Yrs sincerely

No. 693, I have the honour to state that one
month's interval only elapsed between the date
of advertisement and the date of the sale of chin-
choria bark on the first occasion; that about 3
months elapsed on the second occasion; and that
2 months will be the time on the 3rd occasion.

2. I think that 3 months at the least should
be allowed to be the time between advertisement
and sale. It is true that there is a telegraph,
but bona fide buyers still may have occasion
to write to and from England, America, and
other countries.

3. It is stated that, on the present occasion,
the delay was caused by the non-receipt of the
orders of Government. I am not cognizant
of the fact, but it is just as likely that the
