My dear Stokes

I return the papers
about Lawson's T. A. which
seem all right.

I also send the
Tom Programme with
you have such orders
issued as will enable
Lawson to accompany H.S.

Yrs. truly

My dear Webster

I observed some
reference made in some
of the "Corchorus" papers
Geo. Dep. & papers to Lawson's
being about going to visit
S. Canara. Please do
not start referring things
to him on this tour as then

there will be justification

in your authorizing the
Acct. Genl. to pass

* "Actual Charges" to be
* not exactly this - see sec. 65 T.A.C.

in the journey and

thus save my funds

from paying his wages,

Transits, Carts and Steamers

Will you kindly let the
least possible order issue
granting him his Actual
Charges while travelling with
H.E. and then I can charge
him which I cannot otherwise
do, and pass on
"I am a
poor man"

" Sir J. Hooker considers that "
" Professor D. will be able to give "
" a considerable impetus to the "
" branches of botanical admin- "
" istration besides providing an "
" efficient administrator of "
" the Corichona Plantations.

According to civil permission
would also have to be obtained
" there would be no advantage "
in case of a general order as
the Corichona plantations.

secs: 30. 31. 54. 58. 63 C.T. & code.

The Govt. can depute Mr. Dawson
to accompany Mr. The Governor
on tour. Reference might be made
if it is thought necessary to the
enquiries ordered as to the Corichona
but from the terms of the Secretary
of States Despatch concerning Mr. Dawson's
appointment it would appear
that no specific reason is necessary.
Indeed it would seem to be competent
to Govt. with reference to the quotation
in the margin to rule that the whole
Presidency was within Mr. Dawson's
jurisdiction that he can make
tours therein, when he can be
spared from the Plantations by
Govt.

At any rate Mr. Dawson
can be ordered to accompany
His Excellency & will draw Rs: 5/-
a day for marches & allowances
he may exchange for
double first class fare by rail

Dear Sir

Can you find anything
to refer to or any expense
for ordering him on the tour? He
must leave him; it he cannot go with
a G.O.

Paraneria floridulifera might
have done, but it is too late.

first class passage for himself, and
3rd class do for his servants, by
sea, and 8 annas a mile by road.

It is expected that this
will cover his expenses but an
account ^{might} ~~should~~ be kept of
^{as travelling allowance}
what Mr. Dawson receives, and
of what the Private Secretary
pays for him, in case he does
so, and it is probable that
the difference, if any, may
be an order of Govt. to be
recovered to the latter under
Cap: 2 Rule 7 K of the Civil
Account Code.

A ~~for~~ reference
to the accountant general will
be made on this point but
meanwhile this memo: might
go to the Private Secretary to
official intimation of the
proposed tour is given, an
order that Mr. D. will go to
a issue in Govt. Dept.

R. 25.9.83.

Mr. Dawson's Travelling Allowance
when touring with the Govt.

The Private Secy

It would seem better that
the Private Secy should give
Mr. Dawson to reimburse his
direct for expenses incurred
in his account, leaving it
to Mr. Dawson to draw his
authorized travelling allow.
If he is a loser, to come
up to Govt. for a Govt. under
Civil Acct. C. 2. Rule 7 K.
which seems slightly odd.
But then it is used to
refer to the Govt. for the
reimbursement.

We will leave the matter as above
if the Govt. will write to Mr. D.
that he is to be reimbursed.
