Read—the following office note by H. A. GASS, Esq., Deputy Conservator of Forests, in charge Chinchona Plantations, Nilgiris, dated Ootacamund, 20th April 1883, No. 49—15-C:—

I beg to enclose an abstract invoice for 59 bales of Chinchona red bark from Naduvatom and Pykara despatched to Madras on the 14th instant for shipment to the Secretary of State for India, London, insuring the consignment for £590 sterling, and to inform you that, although most of the bark is collected from injured trees, it is comparatively of good quality, and that, as I have no data to fix a value on the same, I take an average of 2 shillings per pound for the above reason and estimate the value of the bark to be £590, which fact Government may be informed of at an early date with reference to paragraph 2 of their Memorandum, No. 55, dated 16th February 1883, extract of which is herein enclosed for your information.

ENCLOSURE 1.

ABSTRACT.—Abstract Invoice of 59 Bales of Bark forwarded from the Government Chinchona Plantations, Naduvatom, Nilgiris, during the Official Year 1882-83.

ENCLOSURE 2.

Extract from Official Memorandum, No. 55, dated 16th February 1883, from the Secretary to Government, Revenue Department, to the Deputy Conservator of Forests, in charge of Chinchona Plantations, Nilgiris:—

2. It is also requested that in future advices of consignment of Chinchona bark the principles on which the value of the bark is fixed and its estimated value may be intimated to this

office, the disparity noted being such as cannot appear in species and quality of bark.
