Resolution—dated 22nd July 1884, No. 2504.

The Board resolve to submit, for transmission to the Government of India, the accompanying statement of alienations of land in the year 1883-84. Ordinary waste lands as well as Poramboke lands alienated in lieu of lands taken up for public works have been excluded from the statement with reference to Board's Proceedings, dated 21st September 1881, No. 2039, recorded in G.O., dated 4th November 1881, No. 1642.

2. During the year, Acres 18·74, valued at Rs. 24,000, were alienated to the Madras Municipality under G.O., dated 3rd August 1883, No. 1646, Financial

Department, but the sanction of the Government of India does not appear to have been obtained with reference to paragraph 9 of their resolution communicated with G.O., dated 19th June 1872, No. 82.

ENCLOSURE.—Statement showing alteration of land in 1883-84.

READ—also the following letter from A. T. ARUNDEL, Esq., President, Municipal Commission, to the Secretary to Government, Revenue Department, dated Madras, 2nd September 1884, P.W.C. No. 1084 :—

In reply to your official memorandum No. 362, dated 26th August 1884, I have the honor to inform you that the area covered by the old cemetery—that is the General Cemetery—is 8 cawnies, 16 grounds, 2,384 square feet. It is not accurately known how long this cemetery has been in use, but it is said to have been opened about 25 years ago. No portion of the land (about 13 cawnies) made over by Government to the Municipality to enlarge the cemetery has yet been added as funds have not been provided for enclosing it. It is proposed to add the whole area to the cemetery. An extension of 3 cawnies, as proposed by Mr. Burrows in his letter quoted in G.O., dated 8th April 1878, No. 1789, would suffice for only a comparatively short time, and further extension would then become necessary, or the opening of a new cemetery at some distant spot.

ORDER—dated 23rd September 1884, No. 1064, Revenue.

Land Revenue, No. 124.

With reference to paragraph 2 of the Proceedings of the Board above recorded, the Government observe that the grant of 13 cawnies of land for extending the General Cemetery at Washermanpettah was made by an oversight and was beyond the competence of this Government, the value of the land being Rs. 24,000. The Commissioners have done nothing to utilize the land for the purpose for which the grant was made, and it will now be cancelled. The item will accordingly be struck out of the statement of alienations for 1883-84, and a revised statement will be transmitted to the Government of India. The Government will apply to the Government of India for a grant of 3 cawnies which is the extent asked for by the Commissioners in 1878, and which, it is considered, will be sufficient for present requirements. The land will be resumed if the Commissioners do not enclose it and otherwise fit it for the purpose contemplated within a reasonable time.

Statement of Alienations of Land

during 1883-84.—Revising and submitting to the Government of India—; cancelling the grant of 13 cawnies of land made to the Madras Municipality, and resolving to apply to the Government of India for the grant of 3 cawnies to the Municipality.

REVENUE DEPARTMENT.

LETTER from—

THE SECRETARY TO THE GOVERNMENT OF FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA, REVENUE AND AGRICULTURAL DEPARTMENT.

SIR,

I am directed to forward, for the information of His Excellency the Governor-General in Council, the accompanying statement of alienations of Government land during the year 1883-84, submitted by the Board of Revenue, and revised in accordance with the Proceedings of this Government, dated 23rd instant, No. 1064.

Land Revenue, No. 125.

2. I am also directed to request the sanction of the Government of India to the grant to the Commissioners of the Madras Municipality of a piece of Government land measuring 3·97 acres valued at Rs. 5,000, and required by them for the extension of the General Cemetery at Washermanpettah which is stated to be almost entirely filled with graves, and to contain little or no space for fresh interments.

3. The grant of this piece of land for the purpose stated was recommended in 1877 by the committee appointed by this Government to report on the Madras cemeteries, but it could not then be given, as it was intended in the Military Department to erect cattle lines on the site. The cattle lines have since been erected in another locality, and there is no objection to the grant being now made.

4. The land will of course be resumable if it is not applied within a reasonable time to the purpose for which it is granted.

I have the honor to be,
Sir,
Your most obedient servant,

(Signed) H. E. STOKES,
Secretary to Government.

OOTACAMUND,
