REVENUE DEPARTMENT.

Sir,

Fort Saint George

With reference to G. O. No. 1789 dated 8th June 1882 granting local allowances at the full scale to subordinates employed on Topographical or Special Surveys on the Palnis, I have the honor to request that local allowances $\frac{1}{2}$ scale may be granted to the Surveyors employed on Revenue Survey on the Lower Palnis. Half allowances are given to the Revenue Surveyors employed in Wynnad, and I think that they should be conceded to the men employed on the same class of work in the Lower Palnis, these hills are as unhealthy as Wynnad and provisions are only to be obtained with great difficulty.

I

I have the honor to be
