Dear Mr. Lawson.

5
Your letter of
yesterday, and to day regarding
cinchona sales. As the Revenue
Secretary Mr. Stokes has not yet
arrived from England, I have taken
the Chief Secretary's instructions
on the subject, and Mr. Webster
desires me to suggest that it
would perhaps be well to
have a more detailed statement
of the circumstances under
which Dr. Currie's offer was
rejected in favour of others
which were considered more
satisfactory. It would be
quite sufficient to say that
you

It may further spare some

you considered Dr. Currie's
proposal to be purely
speculative and that you
were of opinion that he
had not the means of
making it good, & that -
under these circumstances
you considered it advisable
to set it aside and close
with others.

From,

Mr. A. Lawson Esquire
Director of Govt. Cin. Plantations.

To, The Secretary to Government,
Revenue Department
Fort St. George.

Sir,

In reply to your letter of 19th
December '83, No: 62 asking for a more
detailed statement of the reasons,
which induced me to reject Dr. Currie's
offer, I have the honor to state that
upon inquiry I found that that
Gentleman had been speculating
largely in bark, and that he
was supposed to have a consider-
able amount on his hands unsold
in London.

Under these circumstances
I thought it was safer to accept
the lower offer, with immediate
payment.

I may further state that

Dr. Currier's informal offer was not
backed up, so far as I know by
the formal one, which he
promised.

I have the honor to be
Sir,
Your Most Obedt. Servt.
W. R. Lawson.
