BOARD OF REVENUE, 3RD MAY 1884, No. 1514.

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from H. St. A. GOODRICH, Esq., Acting Collector of Bellary, to the Secretary to the Board of Revenue, dated 29th April 1884, No. 1184:—

In reply to Board's Resolution, No. 2748, dated 26th March 1884, I have the honor to state the Deputy Superintendent, Revenue Survey, Bellary, informs me that there are at present no disputes regarding islands in the Tungabhadra river, and that he has agreed with Mr. Aga Shaikh Muhammad Bahadur, the Nizam's officer, to arrange for their meeting when any dispute should arise. I pointed out to him that, as the orders of Government are that the thread of the main channel, that is, of the deepest stream where the river is divided into several streams, is to be accounted the boundary, it may be necessary to report upon the case of an island, although no dispute may exist.

2. I request that the arrangement made by the Deputy Superintendent may be undisturbed, and that the same may be intimated to the Nizam's Government.

RESOLUTION—dated 3rd May 1884, No. 1514.

Submitted to Government with reference to G.O., dated 19th March 1884, No. 1290.
