PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from J. S. GABLE, Esq., Conservator of Forests, Northern Circle, to the Secretary to the Board of Revenue, dated Ootacamund, 23rd October 1884, No. 1284—

In reference to the Orders of Government, received with Board's Proceedings, No. ²⁵⁵⁹ Forest 202, of 29th July 1884, I have the honor to say that the last permanent appointment held by Mr. Samuels in the Forest Department was that of Registrar in the Office of the Conservator of Forests at Rs. 40 per mensem. No such post now exists in either the Northern or Southern Circle.

2. I would venture to point out that the above appointment was not Mr. Samuels' last appointment on *permanent* establishment (a giving his present one to be *temporary*), for he was transferred from the Forest Department to the Cinchona Plantations and held the post, on the staff of those plantations of Assistant Overseer on Rs. 50. That is the appointment on which, in my opinion, he should be held to have a lien, if his present one, sanctioned in Financial Department, No. 1501 of 7th July 1884, is considered temporary only.

3. There would probably be no objection to Mr. Samuels returning to the Forest Department some day on the same pay as when he left it (Rs. 40); but this could be done without his having a lien on an appointment in my office which does not now exist.

RESOLUTION—dated 12th November 1884, No. ³⁸⁴² Forest 384.

Submitted to Government with reference to G.O., Revenue, No. 3159, dated 23rd July 1884.

2. The permanent appointment of Mr. Samuels appears to be that of Assistant Overseer of the Government Cinchona Establishment on Rs. 50. Before his transfer to that post, Mr. Samuels was Registrar in the Office of the Conservator of Forests on Rs. 40, but that post no longer exists.

Submitting to Government letter from Conservator of Forests, Northern Circle, stating that Mr. Samuels, the newly appointed Herbarium Assistant, should have a lien on his permanent appointment in the Cinchona establishment and not on the one in the Forest Department.

Note.

2.11.84

There seems to be no ground for the suggestion that the establishment was meant to be temporary. The action was apparently started by Mr. Lawson in his letter disposed of in G.O. File of 9th July 84 no 1507. But in the proposed statement which accompanied his letter he shows the establishment as permanent. Finance sanctioned the proposed statement without objection, and at the same time said that Mr. Samuels could be considered to have a lien on his permanent appointment. This seems contradictory.
