GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Government of India, Department of Finance and Commerce (Accounts and Finance), dated Simla, 5th April 1884, No. 12 :—

Read—the following despatch from the Secretary of State for India, to the Government of India, dated 7th February 1884, No. 34, Financial :—

In the last paragraph of the despatch addressed to you on the 18th October 1883, No. 68 (Revenue), I intimated my intention of communicating with your Excellency in this Department regarding the manner of entering in the accounts the receipts and payments in this country in connection with cinchona bark received from India.

2. Under the quinquennial arrangement made with the Provincial Governments from the 1st of April 1882, those Governments are not merely to be charged with the cost of the plantations, but also to receive credit for the amount realised by the sale of the products. Hence it is necessary that all payments and receipts in this country in respect of cinchona should be included in your Provincial Accounts.

3. For this purpose the transactions in England will, as is the practice with regard to stores for Provincial Governments, be entered in the Remittance Account, with effect from the 1st of April 1883.

4. The Home Accounts for 1882-83 having been closed, I do not propose to disturb the arrangement by which the cinchona transactions were therein shown as receipts and payments under Scientific and other Minor Departments. I transmit, however, a statement giving full particulars regarding them, which will enable you to make in the Indian Accounts of 1883-84 any adjustments which, on consideration, you may deem necessary.

5. In the revision of the Home Estimates for 1883-84 and 1884-85, which will be telegraphed to you in due course, the figures relating to cinchona will be removed from Scientific and other Minor Departments to the Remittance Account.

ENCLOSURE.

PAYMENTS made during the year 1882-83 on account of Freight from India and other Charges of Cinchona Bark, and Expenses attending the Manufacture therefrom of Quinine and other Alkaloids.

9TH JUNE 1884, No.

REVENUE.

ORDER—dated 9th June 1884, No. 730, Revenue

Miscellaneous.

In the foregoing despatch, the Secretary

State observes that, as under the existing arrangements the Provincial

Governments are not merely charged with the cost of the Government cinchona plantations but are also entitled to receive credit for the amount realised by the sale of the products, all payments and receipts in England in respect of cinchona should be included in the Provincial accounts.

2. In pursuance of this decision the Madras Government are apparently held liable for payments made in England amounting to £10,034-12-11, receiving credit for sums realised to the amount of £1,424-6-4. His Excellency the Governor in Council observes that the charges particularised include the expenses of manufacturing alkaloids from the cargoes of twelve vessels laden with bark from Madras. The quantity of products of different kinds manufactured from these twelve cargoes is given in the statement appended to Mr. Danvers' note which accompanied the Secretary of State's Despatch,* dated 18th October last,

* G.O., dated 5th April 1884, No. 469.

No. 63 (Revenue), and the value of these products, calculated at current English rates according to the price list for 1884-85 of the Medical Department, amounts to Rs. 4,35,884-15-7 as shown in the annexed statement. His Excellency the Governor in Council is of opinion that as the Madras Government bear the cost of manufacturing these products, that Government should in like manner receive credit for the value of the products, the amount being adjusted through the Government of India against the various Local Governments and Administrations to whom the products will be distributed under paragraph 6 of the despatch quoted above.

3. These Proceedings will accordingly be communicated to the Financial Department in view to the Secretary of State being addressed through the Government of India.

(True Extract.)

(Signed)

H. E. STOKES,
Secretary to Government.

To the Financial Department, with a statement and copy of G.O., No. 469.

GOVERNMENT OF INDIA.

DEPARTMENT OF FINANCE AND COMMERCE.

ACCOUNTS AND FINANCE.

Simla, the 5th April 1884.

READ the following:—

No. 34 (Financial), dated 7th February 1884.

From—The Secretary of State for India,

To—The Government of India.

In the last paragraph of the despatch addressed to you on the 18th of October 1883, No. 68 (Revenue), I intimated my intention of communicating with Your Excellency in this Department regarding the manner of entering in the accounts the receipts and payments in this country in connection with cinchona bark received from India.

2. Under the quinquennial arrangement made with the Provincial Governments from the 1st of April 1882, those Governments are not merely to be charged with the cost of the plantations, but also to receive credit for the amount realised by the sale of the products. Hence it is necessary that all payments and receipts in this country in respect of cinchona should be included in your Provincial Accounts.

3. For this purpose the transactions in England will, as is the practice with regard to stores for Provincial Governments, be entered in the Remittance Account, with effect from the 1st of April 1883.

4. The Home Accounts for 1882-83 having been closed, I do not propose to disturb the arrangement by which the cinchona transactions were therein shown as receipts and payments under Scientific and other Minor Departments. I transmit, however, a statement giving full particulars regarding them, which will enable you to make in the Indian Accounts of 1883-84 any adjustments which, on consideration, you may deem necessary.

5. In the revision of the Home Estimates for 1883-84 and 1884-85, which will be telegraphed to you in due course, the figures relating to cinchona will be removed from Scientific and other Minor Departments to the Remittance Account.

ENCLOSURE.

Payments made during the year 1882-83 on account of freight from India and other charges of cinchona bark, and expenses attending the manufacture therefrom of quinine and other alkaloids.

No. 2786

Office of Exams. of Med. & S.
Fort Saint George 5th May 1884

From

The Examiners of Medical Acctts.

To

The Surgeon General with the Govt. of
Madras.

Sir,

In reply to your No. 2904 dated 29th
April 1884 I have the honour to inform you
that no Cinchona Alkaloids were purchased
through the India Office in 1883-84 except
Cinchonidia Sulphas of which the 200 manu-
-factured by Messrs. Howard & Sons were obtained
at the invoice rate of £1-10-8 per lb.

2. As regards Quinia Sulphas I believe
that attempts were made by a Ring in London
to keep up its price artificially, but the result
was that a quantity of Continental manufac-
-ture, chiefly from Milan, was offered in London

Upon

Wm 10 4-0

3. I have only seen one wholesale London Price list since this reduction, and from it I have extracted the following:-

Name of Drug	Quantity in ounces	Rate per ounce
Quinine Sulphas B. P	50	6/-
Quinidine Sulphate pure	100	5/9
" " Commercial	100	3/3
cinchonine sulphate	100	1/1
cinchonidine sulphate	50	3/6
cinchonine Precip.	20	1/3

N^o 245 In all these cases special reductions are made in the case of large orders.

I have the honor to be
Sir

Yours Obedient-Servant

Read Cn^d 2472. 25.

in the foregoing
Despatch, the secretary
of State ^{observes} ~~desires~~ that as
under the ^{existing} ~~decentralization~~
arrangements, the Provincial
Govts ^{are} ~~are~~ not merely charged
with the cost of the Govt
Cinchona plantations but ^{are} ~~are~~
also ^{entitled} to receive credit
for the amount realized
by the sale of the products,
all payments and receipts
in England in respect of
Cinchona should be included
in the Provincial accounts.

2. In pursuance of this
decision ^{the Madras} Govt are
apparently ^{held liable for} ~~held liable for~~
the payments made
in England.

to R 100 34-12-11, ^{receiving credit for sums} ~~and to~~ realized to the amount of

~~receiving credit for~~ £ 1426-5-14,
H.E. the Govt in C. Darners

It is observed, that the
charges particularized
include the expenses of
manufacturing, arising
from the cargoes of twelve
vessels, laden with bark
from Madras: the quantity
of products of different
kinds manufactured
from these twelve cargoes
is given in the statement
appended to Mr. Darners'
note which accompanied
the Secretary of States'
Despatch of 18th Oct.
last no. 68 (Revenue)
and the value of these
products calculated
at ~~current~~ ^{current} English rates
according to the Price
List for 1884.

20.8th April 1884 No 469.

Medical Dept amounts
to Rs 4,35,984.15.7 as
shown in the annexed
statement. ^{H.E. the Govt in C.D.} ~~The Govt~~

~~are~~ of opinion that as
the ~~Indian Govt~~ ^{Govt} bears
they have been charged
with the cost of manufacture
of these products, ^{that Govt} they
should in like manner
receive credit for the
value of the products,
the amount being
adjusted ^{through the Govt of India} against the
various Local Governments
and Administrations
to whom the products
will be distributed
under para 6 of the
Despatch quoted above.

3. These Progs will accordingly
be sent to the Fin Dept
in view to the Secretary
of State for India.

Wm. L. Co.

Copy the draft
as ~~written~~
in ~~the~~
paper, and
make a clean
copy of the
best state
possible.

The annexure to the
G.O. is printed before
instead of after it.
Orders are solicited as
to whether the G.O. should
be reprinted.

Yes my friend
me

276.

[illegible]

Office of Surgeon-General 29.
with the Government of Madras,
Madras, April 25th 1884.

Dear Sir,

I can get the uniform
for 75 p. Madras
in a couple of days.

The Indian office has bought
no more of it because
it has been working up
the military books, and
values have fallen since
our last purchases.
Yours faithfully
W. M. Cornhill
... in ...

Office of Surgeon-General
with the Government of Madras,

31

Madras April 30th 1884.

My dear Laffan
I can give you the prices
at which Messrs. Sales
offer & supply produce
to other days. Their
products are from the
Milan factory. I shall
be able to give you the
prices paid for the last
supply to the India
Office a few days
before the train leaves

Office of Surgeon-General
with the Government of Madras,

Madras, May 8th 1884.
OVS.

My dear Lesson.

I find in the medd
Grammer's letter, in which
he gives the current rates
of condone alkalis
to the home market.

As I told you before he
has bought some of the
year. owing to the
of the breaking up of the
highland parts. for Indian
use

No. 2472.

The Govt of India. communicating
From despatch from the Secy of State.
Dated 5th April, 1884.

FOR ORDERS.

A statement showing
how our Cinchona etc.
stands from the beginning
of the contract to date
would be interesting.

The Secy of State ~~that~~ says
that under the decentrali-
zation arrangement, the
Prov Govts are now merely
to be charged with the cost
of the cinchona plantations,
but also to receive credit
for the amount realized
by the sale of the products.
Hence it is necessary that
all payments and receipts
in this country in respect
of cinchona should be
included in your Prov.
Accounts."

If the local factory is
established and will
manage to keep the
manufacturing charges
down to a reasonable
figure what a lot we
shall save. It seems
to me that it is only by
this means a cheap
fibre paper can be made.

In pursuance of this
decision Provincial is ap-
parently to be charged
with ^{home} payments amounting
in all to £10,534-12-4
or upwards of Rs. 1,20,000
for the year 1882-83; receiving
credit on the other hand
for only £1,424-6-4 or
about Rs. 15,000. for some
substance of cinchona bark.

Believed
by Secy. of State
Tom. A. S. P.
Wm. Forrester

J. R. Luffen p.d.

and freight which the
Secy of State sold to
Messrs Jenkins & Phillips
and the Colonial Office
and colonial agents.

It will be seen that
the charges particularized
include the expenses of
manufacturing alkaloids
from the cargoes of
12 steamers ^{from} ~~from~~ India
with back from London.
From the statement ap-
pended to Mr. Dames'
Memorandum which
accompanied the des-
patch sent in G.O. 5th
April 1884 is also by the
quantity of alkaloids
extracted under the
orders of the India Office
from these cargoes
can be ascertained.

And from the accom-
panying price list of
drugs (prepared annu-
ally by the Medical
Dept. for the use of
Local Fund Rs.) the
values of these quantities
at current English
invoice rates can also
be ascertained. In the

be provided
24/4/84
* A small charge of
£10-1-7 is also made
in connection with the
S.S. Indus, but as the
bulk of the expenses
of manufacturing this
cargo have not ap-
parently been charged,
it is left out of
account.

39
accompanying statement
these figures have been
worked out. The current
rates are apparently
lower than those which
prevailed a year ago.
For instance quinine sul-
phate is valued at Rs. 6/2
per lb (Rs. 6/8 in the list,
but 10% is added for
packing &c.) or about
5/6 1/4 an ounce which
is certainly not dear. As
however the manufactured
products were not disposed
of then & then but are
only now in process of
being utilized, it is
thought the present
current rates should
be adopted. The total
value of the products
of these 12 cargoes, thus
ascertained, is at English
invoice rates Rs. 4,35,884
-15-7- and it is sub-
mitted that as Pro-
funds are charged with
their manufacture, they
should in like manner
be credited with this
sum as their value,
the amount being ad-
justed ~~against~~ ^{to} the
Fund of India against

Certainly

the promises to which
the products are dis-
tributed. Otherwise
Orders will be in-
curring expenditure
for the purpose of
supplying other pro-
vinces with alkaloid
gratis. It is suggested
that a despatch in
this sense should be
prepared for sub-
mission to the Secy
of State, through the
Hon. Secy. E. L.

FOR ORDERS.

C. No. 2472

Read Endorsement of the
Govt of India, dated 5 April 1884
No. 12.

In the foregoing
Despatch, the Secretary of State
observes that as under the
existing arrangements the
Provincial Govts are not
merely charged with the
cost of the Govt Cinchona
plantations but are also
entitled to receive credit
for the amount realised
by the sale of the products,
all payments and receipts
in England in respect of
Cinchona should be included
in the Provincial accounts.

2. In pursuance of
this decision the Madras
Govt are apparently held
liable for payments made
in England amounting
to £10,034-12-11, receiving
credit for sums realised

to the amount of £1424-6-4.
H. E. the Governor in Council
observes that the charges parti-
cularised include the ex-
penses of manufacturing
alkaloids from the cargoes
of twelve vessels laden with
bark from Madras. The
quantity of products of
different kinds manufactured
from these twelve cargoes
is given in the statement
appended to Mr. Danvers'
note which accompanied
the Secretary of State's Despatch
dated 18 October last No 68
(Revenue) and the value of
these products calculated
at current English rates
according to the Price List
for 1884-85 of the Medical
Dept amounts to Rs 435,884-15-7
as shown in the annexed
statement. H. E. the Governor
in Council is of opinion
that as the Madras Govt
bears the cost of manufacturing

47.

these products, that Govt
should in like manner
receive credit for the value
of the products, the amount
being adjusted through
the Govt of India against
the various Local Govts
and Administrations
to whom the products will
be distributed under para
6 of the Despatch quoted
above.

3. These Props will
accordingly be communicated
to the Finl Department in
view to the Secretary of
State being addressed thro
the Govt of India.
