GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again the following official memorandum from W. WILSON, Esq., Acting Secretary to Government, Revenue Department, to the Director, Government Cinchona Plantations, &c., Nílgiris, dated 16th September 1885, No. 514 :—

The Government have reason to believe that it would be a convenience to some members of the planting community in Southern India, who desire to send cinchona exhibits to the London Exhibition, if, instead of being obliged to send such private exhibits on their own account through Messrs. King and Co., they could send them as part of the Madras Government collection now in course of preparation with reference to G.O., Mis., dated 7th September 1885, No. 4783. Each private collection would of course be shown separately, and would bear the name of the contributor and his estate. The Director is requested to report, with as little delay as possible, whether there is any practical difficulty in the way of such an arrangement. On receipt of his reply, the several Planters' Associations will be communicated with.

READ—also the following letter from M. A. LAWSON, Esq., Director, Government Cinchona Plantations, &c., Ootacamund, to the Secretary to Government, Revenue Department, dated Ootacamund, 18th September 1885, No. 56 :—

With reference to official memorandum, No. 514, dated the 16th September 1885, Revenue, I have the honor to inform you that I do not see that there can be any difficulty in arranging with private contributors to the London Exhibition that they should send their exhibits through this department.

ORDER—dated 19th September 1885, No. 1068, Revenue.

Miscellaneous.

Communicated to the several Planters' Associations together with copy of G.O., 7th September 1885, No. 4783, with the request that the arrangements made may be made known at an early date to all intending exhibitors.

REVENUE DEPARTMENT.

READ—the following letter from E. C. BUCK, Esq., C.S., Secretary to the Government of India, Revenue and Agricultural Department (Exhibitions, &c.), to the Secretary to the Government of Madras, dated Simla, 29th August 1885, No. 932—79A-4 Ex. :—

The Government of India is anxious that the Indian cinchona industry should be properly represented at the Colonial and Indian Exhibition, and has, in communication with the Government of Bengal, arranged that specimens of the plant and bark from the plantation at Darjeeling should be displayed in the Economic Court in the shape of a trophy. As the exhibit would be incomplete without specimens from the Madras Presidency, the Government of India will be glad if His Excellency the Governor in Council will permit the Director of the Government Plantation in the Nílgiris to contribute suitable specimens.

2. The trophy will take the form of a series of wooden glass-fronted cases $3' \times 1\frac{1}{2}' \times 3''$ arranged on a sloping frame. The glass cases will contain dried specimens of the plants and bark, preparations of the bark and photographs or drawings of the plantations. On a shelf above the cases will be placed larger samples of the bark and its preparations, *i.e.*, commercial or trade samples for inspection and handling. Details of the arrangement can be obtained by the Director from Dr. George Watt, on special duty with the Revenue and Agricultural Department at Calcutta, who will be in charge of the Imperial Economic Court.

3. In addition to the exhibits, a brief historic account of cinchona in India is being prepared for the Exhibition hand-book ; and should His Excellency the Governor in Council sanction the supply of the specimens asked for, I am to request that a brief note on the cinchona industry in Madras may also be furnished.

4. The favor of an early reply to this letter is requested.

ORDER—dated 7th September 1885, Mis. No. 4783, Revenue.
