I.

14TH DECEMBER 1885, No. 1374, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Endorsement of the Surgeon-General with the Government of Madras, dated 10th December 1885, No. 393 :—

Read—the following Report from Brigade-Surgeon J. KEESS, M.D., Physician, General Hospital, dated Madras, 24th November 1885 :—

The amorphous alkaloids of cinchona were tried in three cases—5 grains were given, three times a day, in two cases, and 10 grains, thrice daily, in one case. The average time the patients were kept under the influence of the alkaloids was six days. In no case was gastric disturbance observed. They acted as antiperiodics in all three cases.

2. The annexed statement gives the particulars of patients to whom the drug was administered.

ENCLOSURE.
