For orders.

The advances received by W Dawson, according to W Buinos. [G.O 19th Feb 85. 24] consist of a permanent advance of £1500 and a temporary advance of £2000. This is for Madhavala. The advances sanctioned are £3000. permanent advance [G.O 20th March 84. 611] and a temporary advance £2000. [G.O 12 July 84 1549]. These are for all the Solates. W Dawson wants for a fresh permanent advance of £1000. This seems necessary for work to go on. The change in the mode of payment to maistries has doubtless been made after due consideration by W Dawson. And may be submitted for sanction.
