Simla, the 29th April 1885.

SIR,

As it is in contemplation to issue a revised edition of Mr. Baden-Powell's "Manual of the Land Revenue Systems and Land Tenures of British India," I am directed to request that, *with the permission of His Excellency the Governor in Council*, the Government of India in this Department may be furnished with a copy of all important Manuals, Rules, and Circulars, &c., relating to Land Revenue matters that have been published in the *Madras Presidency* since the year 1880, together with copies of any important Settlement Reports, of a date later than 1880, which throw light on the subject of local tenures or on methods of assessment, &c.

2. I am also to suggest that it would be an advantage if a competent Civil Officer were instructed to read through that portion of the first edition of the Manual in question which concerns the *provinces of the Madras Presidency*, with a view to noticing the matters in such Chapters that have since been changed or been otherwise provided for. The criticisms of this Officer, if approved by the Local Government, should be forwarded to this Department.

I have the honour to be,

SIR,

Your most obedient Servant,

F. C. Daukes
