G.O. case. No. 2841

The two statements referred to by the Director were submitted on the 11th April last. On the 4th of the same month, however, a "nil" statement of "un-answered references for the quarter ending 31st March 1885" was submitted "with reference to circular memorandum no 402 of 28th Nov 1883". It is this statement which is already observed, differs from the "statement of communications to Govt remaining unanswered" submitted on the 11th April.
