To,

Ootacamund

Sir,

I have the honor to report that I have now in stock 704 Bales of Red Bark, out of last year's crop, and have taken some 300 Bales more this year; making a total of about 1,000 Bales or 100,000 lbs of Bark. As the stock is so great, I have the honor to request that you will be good enough to obtain the sanction of Government, to my stopping barking operations at Naduvatam and Hooker, or at least to authorize me to use my discretion to do so, if I find that my store rooms are insufficient, to hold the proposed full crop and allow me to utilize the funds allottid for Barking, for renovation and other works.

I have the honor to be
Sir
your most obt. servant
