6TH MAY 1885, No. 537, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 18th April 1885, Mis. No. 3569 :—

Read—the following letter from J. GROSE, Esq., Collector of Nellore, to the Secretary to the Board of Revenue, dated Nellore, 6th January 1885, No. 113; and Reference thereon, dated 14th January 1885 :—

The Sub-Collector, in forwarding copies of the Municipal Commissioners' resolutions, dated 24th and 26th September 1884,

366	...	...	EXTENT.	3-59 Poramboke.	requests the transfer of the marginally-
367	...	...	4-11 assessed at Rs. 2-	1-0.	noted fields in the village of Ongole to
325	...	...	3-56 do. at „	1-12-0.	the Municipality for the purpose of build-

ing houses, as the extent now available is very small and as the demand for fresh sites is gradually growing.

2. I beg to recommend the transfer and submit copies of the resolutions referred to.

Read—the following letter from W. J. TATE, Esq., Acting Sub-Collector of Nellore, to the Collector of Nellore, dated 17th March 1885, No. 174 :—

With reference to your footnote No. 373, dated 21st January last, on Board's reference No. 75, under date the 14th idem, I have the honor to state that the market value of the lands proposed to be alienated has been estimated by a punchayat at Rs. 30 per acre for fields 367 and 325 (assessed waste) and at the same amount for 366 (Ashaliwinba vagu) if the water is kept out of it.

2. The present value of field 366 is little, and the improvement to it would have to be executed by the municipality or by the persons to whom it is designed to make it over for house-building.

3. The punchayat report which I send shows that the three fields are useless for cultivation purposes, and only acquire value through their nearness to the village, i.e., through their use for building purposes.
