Telegram to Madras dated
7th July 1885.

In reply to your letter of
27th May 1885. Cinchona. The
arrangement proposed is sanctioned.

Sir,

1. With reference to your letter No. 12. Revenue, of 17th June last, and in continuation of my telegram of July 7th, noted in the margin, sanctioning the despatch of samples of Cinchona bark for the September and October sales in Madras, I have now to inform your Excellency that the samples have been duly received.

2. As, however, the London firms desire an independent analysis of their own, and as the amount received, 5 samples of 2 lbs. each, is not sufficient for that purpose, I have

His Excellency,

The Right Honourable.

The Governor in Council,

Fort St. George.

to

to request that in future
not less than 6 lbs. be
sent of each sample of
bark.

I have the honor to be,
Sir,
