Sir,

Under G.O. No. 1081 dated the 18th July 1885,
Ministerial, the two Estate peons posts at
Rodaletta and Padurata were abolished.
The above G.O. however, reached me on the
17th August 1885, and as these peons had then
actually been at work for more than half
that month, I did not think it would be fair
to dismiss them without any notice, and so
I allowed them to go on until the end of the
month before depriving them of their appointments.

2 The Accountant-General however is
of opinion that the above G.O. has effect from
18th August 1885, and so has disallowed
the pay of both peons and the Travelling
allowance

allowance of one of them for that month.
3. I have the honor to request therefore
that you will be good enough to obtain the
sanction of Government to the payment of the
two persons' pay and batta for August-1885 to
enable the Accountant-General to withdraw
his objection.

I have the honor to be
