NOTE FOR THE UNDER SECRETARY.!

Submitted that this be
referred to acct^l general for remarks.
This is apparently the first letter of the
kind. From enquiry made in the acct^l
general's office I learn that the dir
was informed that as all charges should
be audited by the acct^l general, the
practice of crediting net receipts was
irregular & should be reported to
Govt. It also Mr Lawson can
no doubt obtain bills for the
free charges from Messrs Batters & Co.
& and there seems no reason why they
should not be sent to the accountant
general.
