9TH JUNE 1885, No. 685, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 16th May 1885, Mis. No. 4528 :—

Read—the following letter from C. S. CROLE, Esq., Collector of Madura, to the Secretary to the Board of Revenue, dated Melur, 27th April 1885, No. 234 :—

With reference to the Board's Proceedings, dated 16th January 1885, Mis. No. 339, I have the honor to state that the Sub-Collector has reported that the extent of the alienations specified in the statement, is not altogether correct. It is now ascertained that the occupancy right has been sold by the trustees in only gulies 12-9-3, assessed at Rs. 8-0-4 ; that gulies 195-14-2, assessed at Rs. 125-2-9, have been given on lease ; and that houses have been built on gulies 0-3-2, assessed at Rs. 0-10-5. The total assessment available comes to Rs. 133-13-6. As to the use to which the amount can be put, I beg to suggest that it may be utilized for the upkeep of the water-supply at Dindigul. I cannot suggest any other work, with better claims to support. The whole of the Dindigul public is interested in the water-supply, and the amount, though small, will yet go to meet a portion of the expense.

Resolution—dated 16th May 1885, Mis. No. 4528.

Submitted for the orders of Government with reference to paragraph 2 of G.O., dated 3rd January 1885, No. 8.

2. The Board support the Collector's proposal.
