READ—the following letter from M. A. LAWSON, Esq., Director of Government Cinchona Plantations, Nilgiris, to the Secretary to Government, Revenue Department, dated Ootacamund, 23rd May 1885, No. 15 :—

In his letter No. 989, dated the 15th April 1885, embodied in G.O., No. 512, dated the 2nd May 1885, the Accountant-General says :—"The cost of the establishment which the Director of Cinchona Plantations proposes to employ permanently will amount, with provision for leave and retiring allowances at one-sixth of pay, to Rs. 2,100 per annum."

2. With reference to the remark, I beg to observe that in my letter No. 48, dated the 19th March 1885, I made no mention of the establishment being permanent, and I neither implied nor wished that service in it should be eligible for pension under Section 74, Chapter IX of the Civil Pension Code.

3. I merely proposed the introduction of a system of payment of fixed salaries to the maistries on the estates in the place of the present one of payment in the shape of commission of 10 per cent. on the coolies' wages.
