ficiency of funds from the Budget

From

ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS.

To

THE Secretary to Government,
Revenue Department,
Fort Saint George.

SIR,

With reference to the accompanying
letter No. 102 dated the 22nd of January 1886 from the
Director, Government Cinchona Plantations, Nilgiris,
to Government, I have the honor to observe that the
Director, while reporting on the sales of Cinchona Bark
to Government, should be required to give full par-
ticulars of the expenditure incurred in connection
with these sales.

2 As regards the Director's proposals, I
think it would be better that, the new arrangement
prescribed for showing receipts and charges of the
sales should be adopted from the beginning of the
current official year, but inasmuch as the adop-
tion of the new plan of showing gross receipts
on one side and charges on the other in lieu
of the old plan of showing only net receipts,
will merely result in the addition of an equal
sum to both sides of the Account and will not
otherwise disturb the Budget, the Director
need not be required to provide for the charges
to be newly shown by a transfer from any other
head

head of his sanctioned grant -

I have the honor to be,

Sir
