ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE Director of Cinchona Plantations

SIR,

With reference to your letter No. 832 dated
7th November 1885 and Messrs Calves & Co's account sales
herewith returned, I have the honor to inform you that
it is against the rules of the Civil Account-Code
to set off public revenue against public expenditure
without duly bringing them to account under proper
heads. The proper course to adopt in connection with
the sale of Cinchona bark would be for Messrs Calves & Co.
to pay the gross sale proceeds into the Bank of Madras
and to draw the expenses incurred by them from this
office, but as this procedure may cause inconvenience
to them, they may continue to pay the net proceeds
into the Bank, but I request that you will be so
good as to receive their account sales direct as at
present and after passing the gross receipts and
charges through your accounts to countersign and
forward the account sales to this office to enable it
to make the necessary adjustments in order to bring
the whole receipts and charges on its books. But
before adopting this course, please obtain the sanc-
tion of Government to accepting from Messrs Calves & Co.
their net realizations on account of Cinchona after
deducting charges for (1) Carriage (2) insurance

(3)

(3) postage and telegrams (4) Advertisements (5) Printing and distributing Catalogue (6) Godown rent at Annamalai per bale per month (7) Allowance for short deliveries and (8) Commission at $\frac{1}{2}$ per cent on the gross sale proceeds.

2 I would also add that it would be desirable to obtain from Messrs. Oakes & Co. vouchers for these charges, if that could be conveniently arranged for.

SIR,

* Copy enclosed

With reference to your Endorsement on N. 6746 dated the 4th December 1885 referring for my remarks letter N. 81 dated 24th November 1885, from the Director, Cinchona Plantations, Vizagiri, relative to the acceptance of the net sum realized by Messrs. Oakes & Co. by the sale of Cinchona bark, I have the honor to state that, in my letter N. 188 of 18th November 1885, I informed the Director that, under the rules of the Civil Account Code, the proper course to adopt in connection with the sale of Cinchona bark would be for Messrs. Oakes & Co. to pay the gross sum realized into the Bank of Madras and then to submit bills to this Office for audit and payment of all charges that might be incurred by them; but that if this procedure would cause inconvenience to the Auctioneers, the Director might in lieu of it obtain the sanction of Government to the acceptance of the net sum realized, and that in the latter case, he should, as at present, receive the account sales from the Auctioneers, and after recording on his books the gross receipts and expenses, that he should pass on to this Office that document duly countersigned, accompanied by vouchers in support of entries of charges, which renders I am informed by

by the Director Messrs. Baker & Co always furnished.

2. I proposed by this plan to audit the charges and adjust the amount of the Account Sales, and thereby bring the whole receipts and charges connected with the transaction in the public Accounts.

3. If the Government approve of this plan, I would respectfully suggest that the Director be asked to make due provision for these charges which are very considerable, in his budget Estimates in future, and to obtain the necessary allotment in respect to the charges already incurred on account of the past Sales.

The Govt. approve of the plan proposed by the Acct. Genl to enable him to audit the charges of Messrs Dakes and Co. for conducting the cinchona sales.

The Director of Cinchona Plantations will be directed to ^{immediately} make due provision for these charges in his budget estimates. ~~immediately~~ He should at once report whether he can ^{meet these} ~~make provision~~ from his budget allotment, by transfer or otherwise, ~~in respect for~~ ~~the charges~~.
