Note for the Secretary.

It is somewhat difficult to say what the precise effect of Act II of 1883, ^{Madras} is as regards the power of the members of the Board of Rev. as was constituted to undertake official business into the Districts. Under Section 49 of Reg I of 1803, they can not do so without the previous sanction of Govt., but Reg I of 1803 must be considered, in so far as it conflicts with the provisions of Act II of 1883, to have been superseded, and the question, therefore, seems to be reduced to this — whether the distribution of business as made by the Board, with the previous sanction of Govt., amongst themselves includes "deputation" when necessary for the proper

disposal of the business for
- turning to the respective
members. This, it seems
fair to infer, that it does.

It was found the first
intention that the members
of the Board should be free
to deliberate as found
necessary - (vide Article
of the Settlement in Buteh, at
the first consideration of
the Bill which became Act
II of 1880 - Procs of the Legis.
- Latine Council of 16 March
1880 - page 16.), and ap-
- parently, therefore, without
the previous sanction or
subsequent approval is
necessary to their doing so.

From Messrs of Rev.

Dated 23 March 1887.

FOR ORDERS.

In the current which is dated
25. March and which was
received by the 24. the
Bd. return to Govt. that 2. had
been in a town on the 25.
section 49 Reg. T. 1883 requires
that before a number of the
Bd. of Revenue proceed on tour
in B. shall report the reasons
for such tour and must be
ordered by the Govt. in Council.
The Bd. have not done this.
There is nothing in Act II of 1883
authorizing a divergence from
the procedure mentioned above
but the Hon. Mr. Sullivan states
"The Bd. was being discussed
stated that 'The Govt. has held
that the members of the Bd.
should deliberate more than
has been the case hitherto'.

 present time. It is obvious
 that Section 49 of the Regulation
 of 1873 cannot be worked
 as intended their movement.
 The 3rd is not legally dead: it
 has not been reorganized
 and is now as the 1st line Reg
 of 1873 so far as it is not
 altered by Act II of 1883 remains
 in force.
 When we consider the
 course to be pursued. It is
 perhaps as well that the
 Board know where the land
 Revenue members of any
 kind are, and it is suggested
 that when they proceed on tour
 a return of their whereabouts
 when current should be submitted
 for the info of Govt. and that the
 same order of the Govt. should be observed

No. 2106

FOR ORDERS.

The law is always to be obeyed,
 but I do not think that
 3. Sec 49, quite goes the
 length which the Act ascribes
 to it. The designation of a
 member of the Board means
 something more than touring
 which is not inconsistent with
 his performance of his ordinary
 duties - see the following
 section. I have signed
 the proposed order except the
 first 5 lines
 17/11/87
 16/11/87

We have entered on
 a new order of things
 and the letter of the old
 law cannot now be
 literally followed. It
 seems desirable that
 one of the Land Revenue
 Commissioners should
 always be at head
 quarters - as contem-
 plated in paragraph
 9 G.O. 15 Oct 1884 No
 1135 Rev. Otherwise
 no interference with
 touring sh^d be taken
 but return should
 be made monthly
 of the movements
 of the Commissioners
 generally, and they
 sh^d all keep govern-
 ment informed of
 their whereabouts
