Sir,

During the past year
savings to the extent of
Rs. 4500 have been effected
through using the Government
Carts and bullocks for the
carriage of supplies to the
different estates and for
the carriage of bark from
the estates to Mettupolliam.
Many of these carts and
bullocks are now in bad
condition through age, and

S

I shall be much obliged,
therefore, if you will be good
enough to obtain for me from
Government, early sanction to
purchase ten pairs of bullocks
and carts at a rate not
exceeding Rs 150 per pair.

3. The bullocks, I should
propose purchasing at Marathli,
in Mysore, and the carts at
Coimbatore. & I expect to
effect a saving of at least
Rs 10,000, upon my Budget
allotment, no extra grant
will be required. but under
what particular head, the
Rs 1500 should be charged, I
am at present not prepared
to state, definitely, but it
will probably be from the
Working Charges of the Wood
plantation.

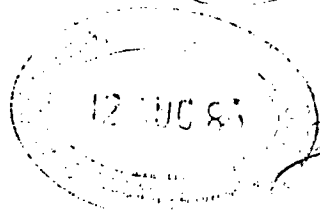

I have the honor to be
