GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

Read—again the following G.O., dated 21st May 1887, Mis. No. 2950, Revenue:—

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 29th April 1887, Mis. No. 422:—

Read—the following letter from H. G. TUIER, Esq., Agent to the Governor, Vizagapatam, to the Secretary to the Board of Revenue, dated Pottanghi 11th April 1887, No. 191:—

In forwarding herewith copy of a letter from my Special Assistant Agent, dated 30th March 1887, No. 363, requesting that a reward of Rs. 100 may be sanctioned to one Adikonda Patnaik for killing a tiger, and that the old rate of rewards may be continued in this district, I have the honor to solicit the Board to be pleased to grant his requests, as the tiger killed in the case under reference was a man-eater, and as in point of fact, every tiger, that is killed in this district, either is, or would have become a man-eater.

ENCLOSURE.

From H. D. TAYLOR, Esq., Special Assistant Agent, Vizagapatam, to the Agent to the Governor of Vizagapatam, dated Koraput, 30th March 1887, No. 363.

I have the honor to report that one Adikonda Patnaik of Malkangiri and Venkatapalli appeared before me to-day and produced a tiger skin and bear skin. The tiger's teeth also were produced. The heads of the animals were not produced as ordered in G.O., No. 701, dated 13th August 1886. The petitioner stated that the animals were killed some time ago and that he had not then heard of the order and is unable to produce the heads. I see no reason to doubt this statement and have sanctioned the reward according to the revised scale. Another point now arises: the petitioner states that the animals were killed before the promulgation of the order reducing the scale of rewards and claims on that ground that he be allowed the reward of Rs. 100, according to old rates.

2. I do not myself think that this claim can be sustained. The tiger, however, appears to have been a man-eater and to have killed four men shortly before it met its death. The order reducing the scale rates is much to be regretted so far as this division is concerned. I think that in the present case some special reward as additional sum of Rs. 80 may be granted on the ground of its being a man-eater. I request that you will issue early orders in the matter.

Resolution—dated 29th April 1887, Mis. No. 422.

Submitted to Government.

2. The Board support the Special Assistant Agent's request that the full reward of Rs. 100 be granted in the special case submitted as the tiger is reported to have been a regular man-eater.
