ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE *Secretary to Government,*
Revenue Department,
Fort Saint George.

SIR,

In the Contingent Bill on account of the Cinchona Plantations Woker Estate for the month of August 1886, a sum of Rs. 310, was charged for the purchase of 18 head of cattle, and I enquired of the Director, whether any general sanction of Government existed for this and similar purchases.

2 In reply, the Director states that provision was made under the general head of manure which includes not only the purchase of manure which has been made by cattle belonging to other persons, but also the purchase of cattle kept on the estate solely for the purpose of making manure, and that he considers that the cattle are manure making machines and nothing more. He presumes therefore that it is no more necessary to obtain the sanction of Government for their purchase than it is to obtain sanction for the purchase of manure.

3. I do not agree with this conclusion, and consider that the case of the purchase of manure, wholly differs from that of the purchase of cattle, even for the purpose named.

I have the honor accordingly to submit the
question for the orders of Government...

I have the honor to be,

Sir,
Your most obed^t servant
