No. 491.

Madras 29th October 1886.

From,

William Morgan,

Acting Government Solicitor,

Madras.

To,

J. F. Price Esquire,

Acting Secretary to Government,

Revenue Department.

Sir,

I am in receipt of Order of Government No. 6452. of the 27th instant with enclosures.

2. With reference to the Opinion of the late Acting Advocate General, I observe that that opinion was in con-nection with a claim put forward by Messrs. Arbuthnot & Co. and not in respect of the claim included in the present suit by Messrs. Wilson & Co.

3. Messrs. Arbuthnot & Co. appear to have claimed the right to rescind the contract altogether, on the ground of misrepresentation, and I presume asked for a return of the money they had paid Government after deducting the price they had themselves realised.

4. The present claim however of Messrs. Wilson & Co. is one for damages for breach of warranty, which though the late Acting Advocate General refers to in a general manner, he does not appear to have had it placed before him for his specific Opinion on the point.

5.

5. I should be glad if you could kindly let me have a copy of the correspondence with Messrs. Arbuthnot & Co. , and also ~~a~~ copy of the G. O. of the 25th March 1886 No. 1935, which contain I presume a statement of the circum-stances connected with the sale.

6. I should also be glad to have the Directors letter of the 25th February 1886 No. 116, and ~~also~~ the explanation, if any, given by the Government Quinologist.

7. Please also let me have the catalogue and con-ditions of sale, as soon as possible, as the case is - posted for settlement of Issues on the 4th proximo, and the time is very short within which to get in the written State-ment.

I have the honor to be

Sir,

Your Obedient Servant,

William Morgan

Acting Government Solicitor.
