Sir,

The average price of the unit of Sulphate of Quinine obtained at the October Sale was 2.80d. The bark to be sold on the 29th of this month, on analysis is shown to contain 4.40 per cent.

2. The value per Bale of 100 lbs on the above basis of calculation would be Rs 77- but in accordance with the instructions conveyed in G.O. No 5336 of the 8th September 1886 - Revenue - that the reserved price should be fixed too low, rather than too high - I have fixed it at Rs 70 per Bale.
