GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 7th October 1887, No. 619:—

H. S. THOMAS, Esq., F.I.S., F.Z.S.

Read—the following letter from R. W. BARLOW, Esq., Collector of Madras, to the Secretary to the Commissioners of Land Revenue, dated 28th September 1887, Reference No. 1173-G & L:—

I have the honor to submit the report promised at paragraph 3 of my reference printed in Board's Proceedings, No. 324, dated 5th July 1887.

2. The Municipality's plan, showing the land required by the President for parking conservancy carts, returned with the Board's Proceedings, Mis. No. 3230, of the 19th instant, is herewith retransmitted for reference, with a corresponding sketch prepared by the Deputy Collector's office.

3. The whole of the land is in the Tondiarpet division immediately to the north of the town north rampart wall, consisting of plots bearing survey Nos. 45, 74 and 76 and measuring in all 9 cawnies 5 grounds and 732 square feet. On this, the portion marked AA on the Deputy Collector's sketch, bearing survey No. 76 and measuring 14 grounds, is in private occupation, while the portion marked BB, bearing survey No. 74 and measuring 15 grounds and 2,[illegible] square feet, and that marked CC of survey No. 15 and one cawnie in extent are in the occupation of the municipality; the former as a slaughter-house, and the latter as a bullock depôt. The portion marked DD of 17 grounds and 1,200 square feet, bearing survey No. 45, is a public road, and that marked EE of the same survey number, measuring 12 grounds, is in private occupation.

4. Deducting the above plots aggregating in area of 3 cawnies 11 grounds and 948 square feet, there is left 5 cawnies 1[illegible] grounds and 2,244 square feet of the land referred to by the President, which is at the disposal of Government.

5. Lands in this locality are reported to be worth Rs. 100 a ground, subject to the payment of manai rate of Rs. 12-8-0 a cawnie for building-sites, under which head the land in question falls. This land adjoins the Leper hospital on the north-west and the Railway terminus land in Royapuram on the north, and as it cannot be foreseen what the hospital and the railway requirements in future years may be, I would suggest the grant of it to the municipality, only on a lease on condition of their paying a manai (building-site) rate of Rs. 12-8-0 a cawnie, and vacating and restoring it to Government at a month's notice, without any compensation.

ENCLOSURES Nos. 1 AND 2.—Sketches.

Resolution—dated 7th October 1887, No. 619.

Submitted to Government with reference to the correspondence ending in G.O., dated 1st September 1887, No. 5198.

2. For the reasons stated by the Collector, the Board recommend the grant of the land to the municipality on the conditions named at the concluding portion of the letter.

(A true Copy and Extract.)

(Signed) M. HAMMICK,
Acting Secretary.

To the Secretary to Government, Revenue Department,
with two sketches.

Copy to the Collector of Madras.

ORDER—dated 14th November 1887, No. 1067, Revenue.
