Through

The Accountant General
Fort St George.

Sir

I have the honor to inform you that excesses of actual expenditure over allotments in the Revised Estimate for the current year, have occurred under certain heads; and that to meet these excesses as well as provide sufficiency of funds for the remainder of the year, I propose transferring the necessary amounts to these heads from others under which I anticipate savings, as specified in the enclosed Statement; and beg that you will be good enough to obtain the sanction of Government thereto.

I

2. The reasons for these excesses having been incurred are as follows:-

Dodabetta. Manure. Owing to an extra quantity of manure having been put into the estate, than was originally intended, and owing to hay stacks and silos having been made, it was not found possible to limit the expenditure within the allotment; and an excess of Rs 1064-7-7 has occurred, but this sum will be simply recouped in advance during the current year by the sale of the hay, as well as by the cattle on the estate being fed out of the produce of the silos. It must be borne in mind and also to provide sufficient funds for the remainder of the year, I do propose to transfer Rs 1200 from the allotment - Dodabetta, Working Charges under which there is a sum of Rs 2000 available.

Dodabetta. Repairs. Under G.O. No 990 of the 15th November 1916 - Revenue Department sanctioned Rs 1901 in the Revised Estimate under this head. The Accountant General, however is of opinion that this sanction does not constitute that sum in the allotment, unless separate sanction be obtained for an additional grant or by transfer, so I propose to transfer Rs 500 to this head from the allotment under Wood Crop.

Wood. Manure. Owing to the manure which it was found necessary to carry on in this plantation, an excess of Rs 20-15- has been incurred, to provide for which, as well as for future charges, I propose to transfer Rs 100 from the allotment under Wood Crop.

Kadumane. Manure. Owing to a big silo having been constructed as well as to the cost of grading of a larger stock of cattle, an excess of Rs 861-12-2 has been incurred, to meet which, as well as to provide funds for the rest of the year, I propose to transfer Rs 1200 to this head from the allotment under Wood-Working Charges.

Hooker. Working Charges. Owing to the renovations which it has been

been found necessary to carry out on this Mandate the sum allotted proved insufficient, and an excess of Rs 29-12-0 has been incurred, to meet which, as well as to provide the necessary funds for the remainder of the year, I propose to transfer Rs 450 from the allotments under Hooker, Crop, under which a saving of Rs 500 exists.

Hooker. Mauritius. Owing to the cost of the cattle purchased under the sanction recorded in Secretary's dated the 21 October 1886, having been charged to this head, there has been an excess of Rs 3-4-, to meet which as well as provide necessary funds for the remainder of the year, I propose transferring Rs 50 from the allotments under Hooker Crop.

Offices and Grounds. House Rents, Nos 1315 and 819 dated 26 November 1885, and 25 February 1886, Revenue - Establishment sanctioned Rs 35 a month, as the salary to be paid by Government to the Entomologist's House and Laboratory, and under Govt Nos 6337 and 233 of 21 October 1886 and 15 January 1887 fixed at Rs 70 per annum from September 1886. Also at Rs 35 for 6 months, and at Rs 70 for six months, would make a total of Rs 630. On passing the revised Estimate for the current Official year, (Govt No 920 of 15 November 1886) Establishment was fixed at Rs 25 for 6 months, and Rs 40 for six months or only Rs 590 in all. To provide the necessary funds for the last of the year I propose transferring Rs 40 to the Bureau, Farm Office and General, Repairs, under which there is a saving of Rs 360.

Offices and Grounds. Building. The allotment of Rs 20 under this head for the year has proved insufficient, owing to the breaking of Water Reservoir having had to be provided for, and so to provide for the excess as well as for sufficient funds for the rest of the year, I propose transferring Rs 20 from the allotment under "Grounds Enclosures."

I
