GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again the following G.O., dated 14th April 1887, Mis. No. 2149, Revenue :—
 Read—the following letter from the Hon. R. W. BARLOW, Collector of Madras,
 to the Chief Secretary to Government, dated Madras, 5th March 1887,
 No. 446 :—

I have the honor to request the sanction of Government to hand over the properties as per list and plan enclosed to the Harbour Trust Board.

2. The said properties have been acquired from time to time for the Harbour and cost thereof debited to Construction on account of erosion, and anticipated further erosion under "Other lands, IV items adjustable by Department of Public Works, account between Madras and Public Works, Madras, accounts current between Civil and Public Works (Ordinary Branches)." The same have been under the management of the Deputy Collector of Madras, and the rents, &c., derived therefrom credited to Harbour construction, "Rent of Government buildings, IV items adjustable by Department of Public Works, account between Madras and Public Works, Madras, accounts current between Civil and Public Works (Ordinary Branches)."

3. Now that a Trust has been constituted, I think their control should appropriately pass to the Trustees, but as they are not Trust property under the wording of section 25 and schedule A, Act II of 1886, I request the sanction of Government to the transfer.

9TH FEBRUARY 1884, No. 200, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again Proceedings of the Madras Government, dated 14th December 1883, No. 3574 W., Public Works, communicated to the Board of Revenue by Revenue G.O., dated 11th January 1884, Mis. No. 109:—

ABSTRACT.—Passing orders on letter from the Superintendent proposing certain changes in the establishment, &c., of the Madras Harbour Works on the commencement of its reconstruction.

READ—the following letter from F. N. THOROWGOOD, Esq., M. INST. C.E., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 8th January 1884, No. 38 W.:—

In acknowledging the receipt of G.O., No. 3574 W. of 14th December 1883, I have the honor to ask that I may be permitted very respectfully to express my thanks for the very encouraging way in which my proposals and requests have been received by Government. I am confident that the results following the order when in operation will be most satisfactory.

2. In reply to paragraph 7 of the order, I have the honor to remark that I know no reason why the collection of rents from the properties to the north should not be handed over to the Revenue Department, and there is no arrangement which I should hail with greater satisfaction than transferring charge of the lands and houses to that department.

3. I believe it is customary in the Public Works Department for the Engineering staff attached to any works to collect rents of buildings on such works. But I am perfectly certain that no such undertaking as this one under discussion was ever foreseen when that custom was sanctioned.

4. The acquisition of property is now almost completed, only some trifling items remaining to be handed over and some disputed rights of ownership to be settled.

5. My own views are exactly expressed in the words of the paragraph of the order above referred to, namely, that "the energies of the whole of the Harbour staff should be devoted to their legitimate and heavy work," when operations are resumed. Moreover, I feel inclined to believe that the officers of the Revenue Department will prove more successful in collecting rents than my staff has hitherto been. In fact many of the tenants (of whom there are upwards of 1,000) do not think of paying rent without legal proceedings being taken, and the collection is always in arrear in spite of all our efforts. The Revenue Department probably have men at their command who are thoroughly accustomed to such work, and who are possibly armed with an authority such as my people have not.

6. It is perhaps hardly necessary to point out that, as the cost of the property in question was borne by the Harbour Works Funds, the rents collected by the Revenue Department (after deducting expenses) should go to the credit of the Harbour Works as at present.
