Read the following paper:—

No. 87. *From H. SEWELL, Esq., Political Agent of Pudukottai, to the Officiating Chief Secretary to Government, dated Trichinopoly, dated 19th April 1877, No. 89.*

Mr. Gompertz, the Deputy Superintendent in charge of the Madura Revenue Survey Party, who is engaged in surveying and demarcating the Shevagunga Zemindari, addressed me some time ago on the subject of the boundary line between Pudukottai and Shevagunga, and suggested that this would be a good opportunity to settle a number of petty boundary disputes between the two countries. I wrote to the Raja on the subject, and he has agreed to send two of his superior officers to represent Pudukottai and to accept Mr. Gompertz' arbitration in the matter.

2. Owing to the prevalence of [illegible]. Gompertz was taken away on other duty and the matter stood over, but he now informs me that he is about to return to his Shevagunga work at the end of this or early in next month, and proposes to go into the boundary disputes. I have, therefore, the honor to request that Government will be pleased to approve of the above arrangement.

No. 88. ORDER THEREON, 30th April 1877, No. 312.

The arrangement is approved subject to any orders which may be issued in the Revenue Department in advertence to the orders in that department ending with No. 2851, dated 29th November 1876.
