To

The Secretary to Government
Revenue Department
Cotacommund

Sir,

I have the honor to ac-
knowledge the receipt of G. O. N^o
3220 of 4th June 1887 - Revenue -
and to state that the not
filling in of the acreage of the
Government Cuchona Plantations,
this year, was not a mistake; but
that I committed an oversight
in not stating in my covering
letter why the usual statement
was left out. My reason for not
putting the acreage in was as
follows: - Hitherto I have taken
the acreage as given in past years,
but this, so far as the Nairwahan
Hooker and Wood plantations are
concerned

Director's Office

Concerned, I believe to be erroneous.
The survey maps which were made
in 1878 of the the three above men-
tioned plantations, I cannot
reconcile with the ground, which
was handed to me when I took
over charge. Certainly a large
portion of ground which had
been prepared for cultivation
before I took over charge has
not been included in these maps.

2. I should be obliged
therefore, if there is no objection,
that you will order a fresh
survey to be made of these
three plantations.

I have the honor to be
Sir

Your most ob^l servant
