GOVERNMENT OF MADRAS

REVENUE DEPARTMENT

Madras, 28th June, 1887.

The Secretary to Government,
Revenue Department,
Ootacamund.

Sir,

We have the honor to acknowledge receipt of G. O. of 17th instant No. 3509.

It is not clear from the report of the Proceedings, which of our two letters of 1st instant was read, and, consequently, to which one of them the order refers. We therefore addressed the Superintendent Government Press as per the enclosed copy of our letter of 24th instant; and we enclose for your information copy of his reply.

It will be observed that neither of the Reports about which we addressed you on 1st instant are yet available, but we would invite your attention to the Superintendent's remark that the probable date of issue of the Administration Report on the Government Cinchona Plantations for 1886/1887 is next November. With reference to this we fully endorse our remarks of 1st instant and should be glad to learn that the Report will be available at a much earlier date to those who like ourselves are practically interested

– interested in the subjects with which it deals.

We have the honor to be,
Sir,
Your most obedient Servants

The Superintendent
Government Press,
Fort St. George.

Sir,

We are informed by the Ag: Secretary to Government that upon application to you, you will supply us, upon payment, with the Admn. report on the Govt: Cinchona plantations for the year 1886/1887-

We are rather surprised to learn that this Report is in print so soon; and we are in doubt whether the Secy's advices do not refer to a further report we had written to him about; i.e. one by the Director of Cinchona plantations (or the Govt Quinologist) upon the effect of manuring Cinchonas, that we expected would be issued about this time-

The bearer will pay for either one, or for both, of the above: and we shall be glad to receive same -

We are &c
