No. 5088

From The Luam Commissioners

Dated 22nd June 1889

FOR ORDERS.

In this letter the Luam Commissioners apply for

(1) for an allotment of funds to the extent of Rs. 5250 to enable the Luam Deputy Collector to continue his work; &

(2) for instructions as to whether the Luams in 222 unsumerged villages in Sumser Taluk, & the Rike Luams in that Taluk are also to be settled.

2. The budget provision on account of the Deputy Collector's establishment is stated to have

already been exhausted,
but the work upon which
they are at present
engaged is estimated
to last until 7th year
next and, if the sum
above referred to are
also to be settled, until
7th March next. The
budget, as originally proposed
by the Commission, made
a provision of Rs 15,300 for
the working of the Depart-
ment during the current
year, but the figure was
cut down by Government
to Rs 10,000 in accordance
with the Finance Com-
missioner's proposal. It is
possible that the Financial
Department may now be
able to allot more funds
and it is suggested that
it be urged to do so

3/2. As regards the same
question, i.e., that of the
settlement of Paila Luan
etc., it is submitted that
the consideration of it may
be deferred until the
question of funds is
settled. The sum of
Rs 5250 applied for by the
Local Commission seems
however, to include the
cost of settling these Luan.

There certainly seems to be no
reason whatever for settling
these Paila Luan. They had
far better be left alone. They
have nothing whatever to do with
the general village estate of
Gampah.
If there are included the sum
required to complete the settle-
ment of the P. Service Luan in
Gampah will roughly be Rs 4000.

As to what will
suffice for this

Allotment of further

Inam Commissioner's Office
No 203. Madras, 22nd June 1887.

From J. H. Garstin Esquire C. S. I
Inam Commissioner

To The Secretary to Government
Revenue Department.

Sir
In G. O. of October 21st, 1886, No 916
Revenue Department, the Government sanc-
tioned a sum of only Rs 3090 for the
employment of an Inam Deputy Collector.
This officer is now working in Ganjam and
reports that he estimates the work there will
take him 7 months (apparently from the
date of his letter which is June 7) to finish
the settlement of the Service Inams in that
District unless he has

(1) to dispose of the Inams in 222
unsurveyed villages in Gumsur
Taluk

(2) to dispose of the Samastanain
Pais Inams in the same Taluk

Each of these tasks will take him an
additional month or 9 months in all i.e.
up to March 7, 1888.

2. The 222 Villages in Gumsur which are still unsurveyed were so left at the time of the Ganjam Survey because they were isolated and situated in wild and unhealthy localities (Vide G.O. of 14 December 1883, No 1563 Revenue Department). The Paik Inams were settled in 1863 but in consequence of the order of Government contained in Para 4 of G.O. of April 30 1866, No 650, no change was made in the condition of the Paiks and the Inam Title Deeds, some 1082 in number were not distributed and have consequently lain for nearly 25 years in this office.

3. I have now the honor to request the orders of Government: whether (1) the Inams in the 222 unsurveyed villages are to be enfranchised or not & (2) whether the Paik Inams should be enfranchised or not - As regards these latter, it was, apparently, the intention of Government to have them untouched only for a time, as the words "for the present" occur in the order quoted in the preceding Para.

4. The funds already sanctioned will provide for the Deputy Collector and his establishment up to the 15 July 1887, so that, so far as Ganjam is concerned a further sum of 5250 Rs will be required. If this proposal is approved, the Deputy Collector's services will have to be continued throughout the year & the amount struck out of the budget as originally submitted (Rs 5300) must be reallocated.

I have the honor to be,

Sir,

Your Most Obedt Servant

The government consider that
 it is unnecessary to refund
 the Rail & other loans referred
 to, and that, if these are
 excluded, the sum required
 for completing the settlement
 of these loans in favour
 will be about Rs. 4000. As it
 is desirable that work, ^{now in hand}

 Department will be asked
 to provide, if possible, ^{the}
 funds required.
