GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from M. A. LAWSON, Esq., Government Botanist and Director of Cinchona Plantations, Nilgiris, to the Secretary to Government, Revenue Department, dated Ootacamund, 31st March 1887, No. 117 :—

With reference to G.Os., Nos. 990, 380 and 164, dated the 15th November 1886, 20th January 1887, and 14th February 1887, Revenue, respectively, I have the honor to report that Messrs. Oakes and Co., Madras, held an auction sale of Cinchona bark on Monday last the 28th instant, at which offers were made of Rs. 65 and Rs. 40 per bale of mossed crown and mossed red bark, respectively, which Government accepted by telegraphic instructions issued to me yesterday.

2. I now enclose statements which afford full information in regard to the sale in question.

3. No. 1 is a catalogue of the bark sold and shows also its analysis by the Government Quinologist. No. 2 gives the prices realized since the commencement of such local sales. No. 3 shows the total sum realized by the five sales held this year. No. 4 gives the rate per lb. realized in English and Indian money, and compares the rate per lb. with that now ruling in the London market. It also gives the value of the unit of quinine at the last sale.

4. The total amount realized by the sale is Rs. 8,500 being as follows :—

		Rs.
100 bales of mossed crown	... ...	6,500
50 „ of do. red	... ...	2,000
	Total ...	8,500

5. This, added to the sums realized by the previous sales, amounts to Rs. 65,810, or less than the estimated receipts by Rs. 6,690. The deficit being due to a decrease in the value of Cinchona bark generally.

6. The last quotations from London gave the value of the unit of sulphate of quinine as 2·87*d*., while the value of the unit at the late sale in Madras was 2·65*d*. and 2·43*d*.
