NOTE FOR THE SECRETARY.

3

With reference to the Secretary's remarks in the slip below, it is submitted that, as already explained in connection with another case, it has been found necessary, since the Copyist Chandrasekhara Mooda Li was sent back to Madras, to send down all G.Os which are not of a special or urgent character. This was pointed out at the time when he was sent from. The great bulk of our G.Os are small ones of the character of that addressed to Messrs Arbuthnot & Co, and if these were all to be copied here, besides those among long G.Os which are urgent or special, the establishment here would be unable to cope with the work, while the Madras office would practically have little to copy. As it is, there is always a considerable number of G.Os in this Deptt, long & short,

which require prompt despatch — and this has been particularly the case of late —; and the copying of such G.Os, and ~~the~~ of rough drafts & notes for orders, not to mention D.Os, office notes, telegrams & D.Os, gives quite enough work to the few clerks who can spare time for copying amidst their other work.

The present complaint would have arisen, had it been possible to arrange for copies made at Madras being signed there by one of the P. W. D Undersecretaries but they have refused to sign any but urgent papers, & as these are not sent down to Madras, practically all papers copied at Madras have to come up here & go back again.

The procedure adopted here is the same as that observed in the Public Deptt.

SECRETARIAT DEPARTMENT

Madras, 10th September, 1887.

To

The Acting Secretary to Government,
Revenue Department,
Ootacamund.

Sir,

We have the honor to acknowledge receipt of Government Order No. 5074 of 26th August.

It was not our wish to be made a "special exception"; but as the avowed object of Government in connection with their cultivation of Estate products, is the benefit of planters & others concerned in such Industry, and as we are largely interested, we wished to ensure such Government orders and Reports as are referred to reaching us by the Government including our name in the list of those to whom these are, as a matter of course, forwarded; and we regret Government does not see fit to comply with this request.

We would point out that though the G.O. now under acknowledgment bears date 26th ultimo it has only reached us this morning!

We have the honor to be,
Sir,
Your most obedient servants,
