READ the following letter No. 483 dated 22nd September 1887 from the Superintendent School of Arts:-

With reference to para 4 of

Res. No. 283 dated 16th August 1887

I have the honor to propose that I should be allowed to visit the Malabar and Coimbatore districts. A tour through this would probably occupy one month.

2. It would be most convenient for the school if I left about the middle of January.-

Resolution.

Submitted for the sanction of Government, with reference to para 3 of Board

Proceedings

Proceedings dated 16th August last. No 283.

2. The Collector of Coimbatore
has reported that the arts and industries
enumerated in the statement appended
to the Board's Proceedings quoted above,
are still being carried on in the district
but that they are not worth investigation
by Mr. Havell.

G.O. No. 20111
The proposal that the Supt. School of Arts, should make a tour of inspection in the districts of Malabar & Coimbatore for a period of one month from the middle of January 1886 is supported by the Board of Revenue & is approved & sanctioned on the understanding that Mr. Donnell's services can be spared by the Education Department.

2. The Collector of Coimbatore considers that the arts and industries carried on in that District are not well investigated, but the Government believe that Mr. Donnell's reports on the cotton carpets, fine cloths, embroidered silk & other industries of the District can hardly fail to be of ~~great~~ value, while his experience in other districts may enable him to bring to notice matters of interest which have been overlooked by the District officials.

3. Mr. Donnell's attention will be again drawn to the instructions issued in G.O. No. 21, of 12th Jan'y 1886.
