Sir,
Owing to the Government
Quinologist having incurred certain
special charges connected with the
manufacture of febrifuge, which had
not been anticipated at the time of
the preparation of the Budget Estimate,
the sum of Rs 300 sanctioned in G. O.
No 990 of the 15th November 1886. Revenue
has proved insufficient, as Rs 288-12-4
have been spent up to date, leaving
only Rs 11-3-8 available for the rest
of the year.

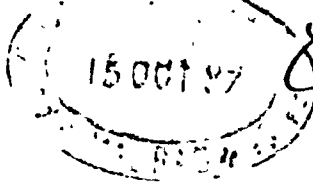

2. I propose therefore to raise the grant to Rs 500, by transferring Rs 200 from the allotment under carriage of crop, under which head the sum of Rs 500 sanctioned is still unexpended and I have the honor to request that you will be good enough to obtain the sanction of Government to this transfer - as required by para 43 Section III Chapter II of the Botanical Department Code.

3. A statement showing the particulars of this transfer as required by para 44 Section III Chapter II of the Code is enclosed.

I have the honor to be
Sir,

Your most obedient servant
