Miscellaneous.

The proposal made in paragraph 2 of the Board's Proceedings is approved. As regards, however, political pensions, it is observed that reports concerning them are, as a matter of fact, now submitted direct to Government in the Political Department, except in the case of the "Mian-lipatam" pensions, which appear to still pass through the Board's office. These will, in future, be dealt with like other political pensions.

2. The Board will issue instructions accordingly.

by mistake have been
