Resolution—dated 19th April 1887, No. 48.

Submitted for the orders of Government.

2. The history of the pension is given in Board's Proceedings, dated 24th August 1878, printed in G.O., No. 1827, dated 15th November 1878. The pension being a life-grant must be held to have lapsed, but in consideration of the large family left by the deceased in impoverished circumstances, the Board support the Collector's recommendation that half of it may be continued in the name of Kolandai Servai, aged sixty-two, the eldest son of the deceased, for his life, intimation being given to the family that on his death no portion of the pension will be continued.
