READ—the following letter from Colonel E. H. COLLEN, Officiating Secretary to the Government of India, Military Department, to the Inspector-General of Military Works, dated Simla, 28th June 1887, No. 1297 M.W.:

I am directed to acknowledge the receipt of your letter, No. 1059 B, dated 9th May 1887, on the subject of accommodation for hospital purveyors.

2. With reference thereto, I am to state that, after full consideration of the subject, it is held to be essential to the efficient working of the purveying system that the hospital purveyors shall live in the hospitals.

3. The scale of quarters considered suitable for hospital purveyors is that laid down for hospital assistants as per type plan No. 11.

4. I am therefore to convey the sanction of the Government of India to the addition of a building on this scale to the list of authorised accommodation to be provided in hospitals. The necessary corrections and additions will accordingly be made in the Army Regulations.

5. I am to add that the accommodation now authorised should be provided as soon as practicable in all hospitals for British troops by the adaptation of existing buildings or by the erection of new quarters. When the requisite accommodation is ready, purveyors will, in all cases, be required to reside therein, and compensation for quarters will cease.

ORDER—dated 9th July 1887, No. 1839 W., Public Works.

Communicated to the Superintending Engineers concerned, for information and guidance, and for early submission, through the military authorities, of plans and estimates, with reference to paragraph 5 of the foregoing letter.
