PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following paper :—

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 17th July 1888, No. 780.

I have the honor to request sanction to the transfer of the tools shed of this department at Kudlighi, in the Bellary District, to the Taluk Board for conversion into a travellers' bungalow.

2. This shed, which was formerly used as a range office, is in very bad order, and is no longer required by this department.

3. The building is roughly valued at Rs. 400. The Taluk Board is willing to pay for it, *if necessary*, but the price has not yet been settled.

ORDER—dated 2nd August 1888, No. 2346 W., Public Works.

The transfer of the shed to the Taluk Board, free of charge, is sanctioned, subject to the conditions that the building is to be retransferred to Government, should it cease to be used for a local fund purpose; and to the further condition that it must be given up if required hereafter by any Government department, subject to such compensation as may seem equitable for improvements.

It will perhaps be  
well to make this ~~step~~  
order for the A Series:

The general conditions of  
transfer of job buildings  
to Local Board ~~must~~  
have been laid down in some  
as a precedent.

The transfer of the  
shed to the Taluk Board  
free of charge, is

Sanctioned subject to the conditions  
that the building is to be returned to Government  
should it ever be used for a local fund  
purpose, and to the further condition that it must  
be given up if required for  
hereafter by any local  
Department, subject to such compensation  
as may be deemed equitable for improvements.

It is suggested that if the  
shed is handed over to the  
Taluk Board, the Taluk Board should  
be made to assume a condition that  
it shall maintain the shed in  
good repair for the use of the  
Taluk Board for which assigned.
