SIR,

With reference to your endorsement No. 155, dated 28th April/88 on G. O. No. 1207 W, dated 23rd idem, I have the honor to inform you that ever since I occupied the Engineer's residence I paid monthly with the approval of the Superintending Engineer Rs. 25- towards its rent from May/87 to March/88 with the clear understanding that half of the building should be reserved for the officer's of the Department on tour, and it has been accordingly used by them.

There appears therefore to be no reason why under the

circumstances I should be called upon to pay at Rs 50 for the above period when only half of the building was under my occupation.

I therefore request that you will address the Government on the matter and obtain their orders so that I may not have to pay the rent at Rs 50 for the above mentioned period.

I have been paying rent at Rs 50 per mensem since April/88 in accordance with the orders of Government.
