1	Ready-money payment of 50 pagodas per annum in Arcot Taluk, North Arcot district.	The jaghir of Chellumattur, Nellore district, was given to Sayid Jellaluddin, a Courtier, by the Nabob Walajah about 1739. Government resumed the jaghir in 1802 and granted a jaghir pension of 50 pagodas a month.	No duty or service involved. The pension was granted in return for jaghir resumed.	Dulham Begam Sahib, the last holder, died on the 24th December 1886. She was the widow of Sayid Jellaluddin, the original grantee.	The deceased was in the enjoyment of a pension of 37 pagodas and 15 fanams or Rs. 130-10-8 per annum, i.e., three-fourths of the original pension being the whole of the pension conditioned on the original grantee's death in 1838. No one else had any share.	Descendants left by the deceased through her elder daughter Mubammad Begam Sahib, also deceased:— 1. Sayid Kaja Kutbuddin Sahib, grandson i.e., son of Mubammad Begam above noted, aged 58 years. 2. Sayid Kaja Aziz Sahib, brother of No. 1, aged 57 years. 3. Pari Begam, sister of Nos. 1 and 2, aged 60 years. 4. Jami Mia Sahib, son of No. 3, aged 34 years. 5. Shajati Begam, wife of No. 4, aged 30 years. 6. Khairunnissa Begam, daughter of Nos. 7 and 8, aged 6 years. 10. Ahamadunnissa Begam, daughter of No. 8, aged 35 years. 11. Miayan, husband of No. 10, aged 50 years. 12. Khairunnissa Begam, daughter of Nos. 10 and 11, aged 15 years.	G.O., No. 554, dated 5th August 1828, continuing the pension to the deceased, ordered that it was to cease entirely on her death or be continued at a reduced rate at the pleasure of the Government. The Collector recommends that a pension of Rs. 100 a month, or a little over three-fourths of the allowance drawn by the deceased, be continued to Pir Hazarath <i>alias</i> Sayid Shah Jir hammad Kaliyulla Sahib Khadiri (No. 20 noted in column 7) whom the deceased had nominated to succeed to her estates and property as well as her liabilities, and who is related to the deceased both on the father's and mother's side. 2. Sayid Khasa Kutbuddin (No. 1 in column 7) prays that the allowance may be continued in his name, as he is the son of the eldest daughter of the deceased, but the Sub-Collector recommends the grant in the name of Pir Hazarath for the reason that the deceased (who succeeded to the allowance through her husband and not through her mother) had nominated

Transferred to the Revenue Department.

OOTACAMUND,
31st August 1887.(Signed) H. E. STOKES,
Ag. Chief Secretary.

Read—also the following letter from H. LE F. Arcot, to the Secretary to Government, 24th December 1887, No. 146:—

q., Acting Collector of North Arcot, dated Vellore

With reference to G.O., Revenue Department No. 5604, dated 19th September last, I have the honor to forward herewith a genealogical tree not verified by the Government petitioners and a statement filed by Pir Hazarath before the Tahsildar of Arcot showing the circumstances of, and the means of subsistence possessed by, the members of the family of the deceased Jaghir Pensioner Dulham Begam Sahiba.

2. It will be seen from the statement that Pir Hazarath, No. 20, in the genealogical tree, the first claimant to the pension of the deceased, is not in well-to-do circumstances. He has inherited from the deceased property to the value of about Rs. 750; but this even is encumbered with a debt of Rs. 400. The circumstances of the other dependants are no better. None of them except those named below have any means of livelihood:—

No. 3. *Pari Begam Sahiba* is in receipt of a monthly pension of Rs. 10 in the Carnatic Agent's office.

No. 1. *Saiyid Kaja Kutbudain Sahib* draws a pension of Rs. 28 a month in the Nizam's state.

No. 4. *Saiyid Abdul Wahab, son of No. 3*, employed in the South Indian Railway Mail service on a pay of Rs. 15 per mensem and lives in the house of his father-in-law at Madras.

No. 13. *Banu Begam* lives with her son Namejan Sahib, No. 14, who is employed as a clerk in the District Munsif's Court at Tripatur, Salem district, on Rs. 15 a month.

Nos. 15 and 19. *Saiyid Sha Muhammad Saiyid Sahib Khadiri alias Sabjan Saib and Saiyid Sha Feazulla Sahib Khadiri alias Mian Saib* get a yeomiah allowance (No. 550) of Rs. 163 each for service in Ratine Rasul Durga at Arcot and have some interest in certain inam lands.

3. Of the pension of Rs. 130-10-8 drawn by the deceased Dulham Begam Sahiba, only Rs. 60-10-8 was, it is said, enjoyed by her, the remaining Rs. 70 having been distributed among the several members of the family as shown below:—

Sons and Daughters by first Daughter of the Deceased Pensioner Dulham Begam Sahiba.

1. Saiyid Kaja Kutbuddin, 12 rupees, of which 4 rupees were paid to his nikka wife	RS. 12
2. Kaja Aziz Khan, brother of No 1, was getting Rs. 10, of which 4 rupees were paid to his father's second wife	10
3. Pari Begam Sahiba was paid 5 rupees. This sum was enjoyed by her and her people, Nos. 4 and 12	5
13. Banu Begam, younger sister of Nos. 1, 2 and 3, living with No. 14, was getting Rs. 5	5
Total	32

Sons by second Daughter of the Deceased Pensioner Dulham Begam Sahiba.

15. Saiyid Sha Muhammad Saiyid Sahib Khadiri alias Sabjan Saib. First son was getting Rs. 13½ and Nos. 16, 17, 18 and 27, were maintained by him. This man is the elder brother of No. 19, who is father of No. 20, Pir Hazarath	RS. 13½
19. Saiyid Sha Feazlulla Shaib Khadiri was getting Rs. 13½ like his elder brother and maintaining Nos. 24, 25, and 28	13½
20. Saiyid Sha Muhammad K. liyulla Shaib Khadiri alias Pir Hazarath, elder son of No. 19, was under the support of deceased, Dulham Begam Sahiba with Nos. 21, 22 and 23. } No separate allowance.	
26. Muhammadunnissa Begam Sahiba, daughter of the Sister of Nos. 15 and 19 was paid	5
Total	32
29. Aziz Bibi Sahiba, m. Saiyid Sha Bakraddin, brother of deceased Dulham Begam Sahiba, living in Trichinopoly Fort, was getting Rs. 3	3
30. Saiyid Amir Batcha Khadiri, son of elder sister of deceased Dulham Begam Sahiba, living at Tripatur, was getting Rs. 3	3
Total	70

4. From the above, Government will observe that, of the thirty members who were enjoying the pension drawn by the deceased pensioner, only Nos. 1, 3, 4, 13, 14, 15 and 19 appear to have other means of subsistence as stated in paragraph 2 *supra*.

5. Pari Begam (No. 3), Saiyid Kaja Kutbuddin (No. 1), Banu Begam (No. 13), and one Khaja Aziz Khan (No. 2) daughters and sons of first daughter of the deceased pensioner have put in petition to Government bearing Government endorsements Nos. 6225 and 6608, dated 19th and 30th October 1887 (which were referred for report in continuation of the Government Order to which this is a reply) claiming the continuance of the pension enjoyed by their grandmother on the ground that they are better claimants.

6. All these petitioners except No. 2 have other means of subsistence as already stated.

7. The Government petitioners—the father and senior paternal uncle of Pir Hazarath (the man recommended by the late Acting Collector Mr. MacCartie in his tabular statement No. 84, dated 19th July 1887), are all grandsons and granddaughters by daughters of the deceased pensioner.

8. At the instance of the Sub-Collector, Mr. MacCartie recommended Pir Hazarath for the reasons that the deceased pensioner who succeeded to the allowance through

her husband and not through her mother had nominated him as he was related to her in three ways:—

- As grandson of her first cousin (paternal uncle's son).
- As grandson of her second daughter.
- As son of her sister's grand daughter.

9. The Tahsildar of Arcot reported that he has not been able to record a statement from Government petitioners, as No. 3, Pari Begam, and No. 13, Banu Begam, respectively, reside at Madras and Tirupatūr in Salem district, while No. 1, Kaja Kutbuddin is at Hyderabad. No. 2, Kaja Aziz Khan, lives at Arcot, but is insane.

10. The petitions bearing Government endorsements Nos. 6225 and 6608, dated 19th and 31st October 1887, are herewith returned.

ORDER—dated 7th April 1888, No. 238, Revenue.

Miscellaneous.

In the circumstances of the case, the Government resolve to direct that one-half of the pension drawn by the deceased

be conferred upon Pir Hazarath, the individual recommended by the Collector, for life, and that, on his death, it shall entirely cease.

2. The Collector will report how similar among the other eight jaghirdars who were pensioned off in 1802 on the result of their jaghirs have been dealt with.

CURRENT NO. 1199

To
 HIS EXCELLENCY THE RIGHT HONOURABLE
 THE GOVERNOR IN COUNCIL,
 Fort Saint George,
 MADRAS.

The humble Memorial of 1. PARRY BEGUM; 2. KAJA KUTUDIN; 3. KAJA AZEEZKHAN; 4. BANOO BEGUM; granddaughters and grandsons of the late DULHUN BEGUM SAHIBA; Jagir pension-holder No. 667, in North Arcot District.

MOST RESPECTFULLY SHEWETH,

1. That your Excellency's Memorialists are the children of Momthi Begum, the eldest daughter of the late Dulhun Begum, who was drawing a pension of Rupees 130-10-8 per mensem from the Taluq Cutchery at Arcot.
2. That the said Dulhun Begum died in 1886 and left other issues also than the Memorialists, viz., Sahibjan Sahib and Meyan Sahib, by her younger daughter, Kamroo Begum. The following pedigree will explain the relationship.

3. That both the said daughters of Dulhun Begum predeceased their mother; and her remaining surviving heirs are the four Memorialists by her 1st daughter and the other said two sons by her second. Hence, the surviving 6 members, or in other words the 6 grandchildren of Dulhun Begum are the only claimants for her pension according to Mahomedan Law.

4. That under such circumstances, the Memorialists have been informed that one Peer Hazarath, son of Meyan Sahib, has, on the demise of Dulhun Begum, misrepresented certain facts to the Sub-Collector of North Arcot, and that the Sub-Collector has thereupon recommended to the Government through the Collector for a continuation of the pension of Rupees 100 in the name of Peer Hazarath, entirely ignoring the right of the Memorialists. Here it may be added that no notice of it was served on any one of the Memorialists.

5. That under Mahomedan Law Peer Hazarath is in no way entitled to claim the pension of his great-grandmother while his father is alive, on the principle that "the nearer excludes the more remote."

6. That your Excellency's Memorialists therefore humbly beg that the said continuation of Rupees 100-0-0 be continued in the name of Parry Begum, being the eldest member of the surviving heirs. If this indulgence cannot be granted, the Memorialists humbly beg that the pension be distributed individually amongst the surviving members of the family, and thereby support the Memorialists and their poor families.

For which acts of kindness and mercy, the Memorialists shall ever pray for Your Excellency's long life and prosperity.

The Memorialists beg to submit that this Memorial may be substituted for the one presented by them on the 3rd Instant. They had also submitted a petition on the 10th August last.

Beg to remain,

Your Excellency's Humble Memorialists,

MADRAS,

13th October 1887.

The Humble Petition of 1 Parry Begum, 2 Banoo Begum, 3 Khaja Kutbudin, and 4 Khaja Azizkhan, grand daughters and grand sons of the late Dhoolhun Begum Sahiba Jagir pension holder No. 667, in North Arcot District.

MOST HUMBLY SHEWETH,

That Your Excellency's Memorialists are the children of the eldest daughter of the late Doolhun Begum Sahiba, who was drawing a pension of Rs. 130-10-8 per mensem from the Taluq Cutchery at Arcot.

That the said Doolhun Begum Sahiba died in 1886, she left other issues than the Memorialists, viz: Saibjan Sahib and Meyan Sahib, sons of her younger daughter who predeceased her mother.

That on the demise of Doolhun Begum Sahiba, the Memorialists have been informed that out of the lapsed pension, the Sub-Collector of North Arcot has recommended, through the Collector, a continuation of a portion of the pension Rs. 100-0-0 in the name of one Peer Huzaruth, a son of the Memorialists' cousin, Meyan Sahib, who cannot be an immediate heir to the late Doolhun Begum Sahiba and a claimant for the pension according to Mahomedan Law, since his father is surviving; consequently, the Memorialists humbly beg that the said continuation of Rs. 100-0-0 be continued in the name of Parry Begum Sahiba, the eldest member among the surviving heirs of the family. If this indulgence cannot be granted, the Memorialists beg that the pension of Rs. 100-0-0 be distributed individually amongst the members of the family, and thereby support the humble Memorialists and relieve them from future dissatisfaction and quarrels.

For which acts of kindness and mercy, petitioners shall ever pray for Your Excellency's long life and prosperity.

Beg to remain,
Your Excellency's Humble Memorialists,

mother had also put in a petition to the government that the pension ought to be continued in my name, that ^{no one} had a claim to it and that it should not be split up and go continued in the name of any other than me. I am related to her in three ways.

The present petitioners to Government Parry Begum 1, Syed Khaja Kibinuddin 2, Khaja Aziz Khan 3 and Binn Begum 4 are the daughters and sons of the eldest daughter of Dababam Begum Sahiba. Their claim rests solely on this. Dababam Begum Sahiba had no male descendants. Her two daughters predeceased her. I am related to her in three ways ~~as per~~ as per Mahomedan law, as being descended from her elder paternal uncle, as my mother is the grand daughter of the elder sister of the deceased and as her two daughters Khannum Begum Sahiba is my paternal grandmother. Besides, I have a preferential claim as I have succeeded to all the assets and liabilities of the deceased. Her assets at her death were worth Rs 750 and her house and garden were encumbered to an amount of Rs 400. This is all I succeeded to. It is chiefly under the impression that the pension will be continued in my name that I performed the funeral obsequies for her and ran into a debt of Rs 1500 as above stated for meeting the incidental expenses and for supporting her large family and dependants. I therefore beg that the pension might be recommended for continuance in my name after considering the circumstances of the case. I affirm that all I have stated here is truth and nothing but truth.

the grandmother of the petitioners, was drawing.
In spite of all the said petitions neither the Collectors
nor the Honorable Board of Revenue Madras
inquired about the proper claimant of the pension.

That your Excellency's petitioners are
given to understand that all the records of this
Case, which were with the Collectors have, without proper
preliminary enquiry into the matter, been directly
submitted to the Government for order. Consequently

herewith for your Excellency's kind perusal, and pass
such orders as may be found necessary in the
Case.

That the genealogical, submitted herewith shows the following relations and the numbers stated therein stand for persons:-

8 At the instance of the SubCollector, Mr MacCartie recommends Pir Hajarath for the reasons that the deceased pensioner who succeeded to the allowance through her husband and not through her mother had nominated him as he was related to her in three ways.

- (a) As grandson of her first cousin (paternal uncle's son)
- (b) As grandson of her second daughter
- (c) As son of her sister's fraud daughter.

9 The Tahsildar of Arerh reported that he has not been able to record a statement from Government Petitioners no 3 Parri Begam and no 13 Banu Begam respectively reside at Madras and Simpatthar

Dated 12th August & 24th Decr 1887.

FOR ORDERS.

The pension granted by the
Government to the Carnatic
over Saigal Jellaludin was
resumed by Government in
1802, and a pension of
50 Rupees a month was con-
ferred upon him instead
for life. On his death in
1828, three-fourths of the pension
(Rs. 130-10-0) was continued
to his widow for her natural
life, as she was reported to be
indigent circumstances.
It was however, distinctly
stated at the time that the
pension was to cease entirely
on her death or to be continued
at a reduced rate at the
pleasure of Government. The

E.M.C. d/3rd June 1802 No. 127

E.M.C. d/20th Oct 1829 No. 726

widow died in December 1888
leaving behind a family
consisting of thirty members
all of whom participated in the pension
during her lifetime. The
Statement attached to the
Note shows the ^{several} persons who
enjoyed the pension, the
proportion in which they
enjoyed it, and the other
means of income possess-
ed by them. The Genealogical
tree forwarded by the Col-
lector shows their relation-
ship to one another and
to the deceased.

2. The Subcollector & the
Collector recommend the
continuance of the pension
at the reduced rate of \$4.00
per annum ^{on per Haganth} to Rs. 20 in the
Statement, on the following grounds:

(1) that he is related to the
deceased in three ways,
being the grandson of her paternal
uncle's son, the grandson of
her second daughter, and

the son of her sister's grand-
daughter; 937
(2) that the deceased had
nominated him to succeed
to her estate, disabilities and
he has accordingly succeeded
to them; and

(3) that he is not in well to do
circumstances and is, therefore,
dependent on the pension.

The Government petitioners
who are no. 1, 2, 3, & 13 on the
list, on the other hand, assert
that they have a better claim
to the pension because they
are the deceased's grandchildren
by her first daughter while
the person recommended by
the Collector is but the great-
grandson of her second daughter.
Further, the latter's father being
alive, he is not entitled to claim
the pension under the Muslim
-marriage law, on the principle
that "the nearer exclude the
more remote". They, therefore,

request that the pension be continued to them or else distributed among the surviving members of the family.

3. The first question to be settled is whether the pension shall be continued whole. It is not hereditary and its continuance entirely depends on the pleasure of government.

The Collector recommends its continuance because the person who has succeeded to the assets & liabilities of the deceased, as well as some of the other members of the family who were dependent upon it, are not in good circumstances - Orders are requested.

4. If it be decided to continue the pension, it will then have to be determined in whose name it is to be

continued. The claim of the government petitioners, as stated above, rests, ~~chiefly~~ on the ground that they are more closely related to the deceased than the Collector's nominee and that the latter is precluded from inheriting during his father's lifetime. If the pension were hereditary it would no doubt go to the nearest heir of the deceased ^{in the ordinary course}. But as it is not so, it is open to government to take the ~~the~~ circumstances of the case into consideration in deciding upon the relative merits of the different claimants. Of the four former petitioners, nos. 1, 3, & 13 have other means of income.

and no. 2 is reported to be insane. The nominee of the Collector, on the other hand, is stated to be devoid of independent means of livelihood. He succeeded to the deceased's property consisting of a tiled house, a garden, furniture worth about Rs 750 in all but encumbered to the extent of Rs 400. He further states that he performed the funeral ceremonies of the deceased and on that account incurred a debt of ^{about} Rs 1500. We have only his word for this statement and the amount borrowed is probably exaggerated. But seeing that he is related to the deceased in more ways than one, that the deceased had brought him up from his infancy & nominated him as the successor to his property, and that he has succeeded

to her assets ^{as well as} liabilities & performed her funeral rites under the expectation of drawing her pension, it seems but reasonable that the pension, if continued at all, should be conferred upon him. In this case he will, of course, have to give away a portion of it to each of the other members of the family, as have heretofore capitulated in it hitherto. He undertakes to do in his statement before the Tahildar which forms an enclosure to the Collector's report.

5. It is reported that it has not been possible to send a statement from the forth petitioners as one of them

is insane and the others are not living in the District of North West. This, however, does not seem absolutely necessary for the disposal of the case inasmuch as they have put in no less than three petitions to Government and have thus had an opportunity of saying their say.

I submit that continuing life pension has a most pernicious effect and does encourage people to be "confess" and do nothing to help themselves. So long as the semi-pious Mahomedan can get a pension for his wife or his he will turn his hand to nothing. I would suggest that the pension be not being discontinued on that of it is thought fit to continue it should be reduced to some half with the most distinct intimation that on the death of the person to whom it is upon the present occasion assigned it will not be paid before.

If this course is decided upon it is submitted that the pension should be conferred upon Deed Nazakat. There is no reason for making distinction between the deceaseds fall in the strictly legal line.

FOR ORDERS.

The family has been receiving compensation for his resumed Jalzir during a period of eighty four years and by right there should be some finality about it.

There has been considerable delay, from one cause or another, in dealing with his claim - the last order having been issued in December 1886. I don't like to add to the delay by calling for more information - but I don't have time to know how similar cases among the ^{other} Jagirdars who were pensioned off in 1802 or the resumption of their jagirs have been dealt with, e.g. in Jamal-ud-din Khan's case dealt with in E. & C. 5 August 1828 No 554.

As that order provided for a possible reduced grant on the demise of the person incumbent it will, I think, be right to give the late Begum Sahiba's family the benefit of the doubt and to grant to the individual recommended by the Collector a life pension of half the amount drawn by his great grand mother with the distinct intimation that no further continuance will be permitted.

He has, it seems, undertaken to arrange with the other members of his numerous family
