GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper—

Office Note from the Examiner of Public Works Accounts, dated 21st July 1888, No. 1939.

Adverting to G.O. No. 1688 W., dated 7th July 1888, sanctioning the outlay of Rs. 2,178, incurred in excess of the estimate of Rs. 6,445, for improving the water-supply of Fort St. George, I beg to point out that the completion report for the work was not sent to me for verification before being sent to the Superintending Engineer.

2. The accounts of the work to end of May 1888 as rendered to me show only Rs. 6,146-2-2 as paid and an additional Rs. 741 due to a contractor since October 1887 for work done, or Rs. 7,187-2-2 as the total charges against the work; whereas the completion report, which was drawn up on the 1st February 1888, shows Rs. 8,622-8-0 as the total cost of work completed.

3. As the completion report cannot at present be verified, it should, I think, be returned to the Executive Engineer (not the Superintending Engineer) for adjustment of discrepancies, and be forwarded by the Superintending Engineer to Government for sanction of excesses when finally verified.

4. I would suggest that completion reports, received by Superintending Engineers, which have not been verified by me as required by Public Works Code, para. 1303, should be returned by them to the Executive Engineers concerned for disposal in accordance with rules, and similarly in the case of unverified completion reports forwarded by Superintending Engineers to you.

5. The completion report is retained pending further orders with reference to para. 3 above.

ORDER—dated 7th August 1888, No. 2393 W., Public Works.

The Examiner of Public Works Accounts will return the completion report under notice to the Executive Engineer, Presidency Division, in view to the adjustment of the discrepancies referred to therein, and for disposal in accordance with the rules.

2. Para. 4 of the Office Note above recorded will be communicated to all Superintending Engineers for information and guidance.
