3rd August 1888.

From
E. W. Kellner Esq.,
offg. Accountant General
to the Government of Madras.

To
The Secretary to Government,
Public Works Department.

Sir,

With reference to Government Order No
1383 W. dated 11th May 1888, requiring a report
from this office as to the amount to be
recovered from Mr. Target, I have the
honor to enclose a Statement showing
the amount of travelling allowance
overdrawn by that gentleman, while
employed on special work connected
with the Water supply Scheme under
the Salem Municipality. The amount
to be so recovered is Rs 815-12-5 and the
reason for this disallowance is given in
the following extract from the audit
report of the Salem Municipal accounts
for 1886-87 (recorded in Government Order
No 350 M. dated 16th April 1888, Local and
Municipal).

"Mr. Target drew daily batta at Rs

all round the period he was employed on the Special duty, notwithstanding that the distance he had to travel, was only 4 miles, viz- from Salem to Chack Hills. The daily allowance drawn by him, except for the days he had occasionally travelled beyond 5 miles, is inadmissible and should be recovered from Mr Target. Mr Target would seem to have been under the erroneous impression that Coimbatore (where he was employed immediately before his special duty) was his head-quarters, and drew travelling batta while employed in Salem. As his services were temporarily placed at the disposal of the Municipal Council in Salem, it is not apparent how he can count Coimbatore as his head-quarters while on special duty at Salem, nor do the rules allow travelling batta for more than ten days at one place (Salem) while away from head-quarters, even holding Coimbatore as his head-quarters."

I have the honor to be,
 Sir,
 Your obedient servant
 C. K. M. M.
 Offg. Accountant General

document showing the amount of travelling allowance overdrawn by Mr. C. A. B. Target, Executive Engineer while employed on special work in connection with the water supply scheme in Salem.

The distance between Salem and Chalk Hills is 4 miles.
As Mr Target had to travel about the adjacent hills,
two miles more have been added. Hence the
distance to and back including the adjoining
places is calculated at 12 miles.
N.B. The payment of the Railway Charge for a horse and
tent from Coimbatore to Salem was sanctioned as a
special case by the Municipal Council at their general
meeting held on the 30th October 1886.
