ENCLOSURE.

From the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of the Punjab, Public Works Department, dated 21st May 1888, No. 192 A.—G.

I am directed to acknowledge the receipt of your letter No. 1605 of the 21st March last, submitting, for the orders of the Government of India, certain correspondence relative to the class of buildings for which Capital and Revenue Accounts should be maintained under the operation of Public Works Department Circular No. 3 P.W. of the 10th September 1887.

2. In reply, I am to state that it is unnecessary to include in the Capital and Revenue Account of quarters, buildings made over to other departments for use as offices; but all public buildings occupied as residences, whether rent-free or not, with the exception of those in the occupation of employés of the Postal and Telegraph Departments, should be included in the Capital and Revenue Account. When necessary, the assessment and realisation of rents should be made in the Public Works Department.

3. No difficulty should be experienced in ascertaining whether a public building is used for the purposes of an office or as a private residence, as all buildings maintained by the Public Works Department should be on the books of the Executive Engineer of the Division in which they are situated. He is responsible that the appropriation of a public building for a private residence is made under sufficient authority. When rent is not recovered, the authority for the exemption should be quoted in all cases.

ORDER—dated 16th August 1888, No. 2504 W., Public Works.

Communicated to officers of the Public Works Department for information and guidance, in continuation of G.O. No. 2644 W., dated 10th October 1887.
